Product Description:

The USB A To Type-C cable is made with high-quality materials that make it durable and long-lasting. It is lightweight, weighing only 24g, making it easy to carry around with you wherever you go. The USB A To Type-C cable is designed with a USB AM To Type-C connector, ensuring that it is compatible with most devices that have a Type-C USB port.

The USB A To Type-C cable is easy to use. Simply plug the USB A end into your computer or wall adapter and plug the Type-C end into your device. The USB A To Type-C cable is fast and efficient, providing high-speed data transfer rates of up to 480Mbps. This means that you can transfer large files quickly and easily.

The USB A To Type-C cable comes with a 12-month warranty, giving you the peace of mind that you are purchasing a high-quality product. If you have any issues with the product, you can contact the manufacturer for negotiation and communication. The USB A To Type-C cable is a must-have accessory for anyone who owns a device with a Type-C USB port.

Overall, the USB A To Type-C cable is a high-quality product that is designed to make your life easier. Whether you need to transfer data or charge your device, this USB 2.0 cable is the perfect solution. With its lightweight and durable design, the USB A To Type-C cable is the perfect accessory for anyone who wants to stay connected and productive on the go.

Whether you need to transfer data to your phone, tablet, or computer, the Jizhi USB 2.0 Cable has got you covered. It's compatible with a wide range of devices, making it a versatile accessory for all your data transfer needs.

Whether you're a student, professional, or just someone who loves technology, the Jizhi USB 2.0 Cable is the perfect accessory for you. It's designed to be easy to use and provides fast data transfer speeds, making it an essential tool for anyone who needs to transfer data between devices.

If you're looking for a reliable and efficient USB A To Type-C cable, look no further than the Jizhi USB 2.0 Cable. With its lightweight design, high-quality certification, and compatibility with a wide range of devices, this cable is the perfect accessory for any tech enthusiast.

Support and Services:

Our USB A to Type-C product is designed to provide reliable and fast data transfer between devices. It is compatible with USB 3.0 and 2.0 ports and supports up to 5Gbps data transfer speed. The reversible Type-C connector allows for easy and convenient plug-in, eliminating the need for fumbling around with the connector orientation.

In addition, we offer a range of technical support and services for our USB A to Type-C product to ensure that our customers are satisfied with their purchase. Our team of experts is available to assist with any product-related questions or issues that may arise. We also offer a warranty on our product to provide peace of mind to our customers.

Packing and Shipping:

Product Packaging:

The USB A to Type-C product will be packaged in a sturdy cardboard box with the product name and image prominently displayed on the front. Inside the box, the product will be safely secured with foam padding to prevent any damage during shipping. Along with the product, there will be a user manual and a warranty card included in the packaging.

The USB A to Type-C product will be shipped via standard shipping methods. The estimated delivery time will depend on the destination and shipping method selected by the customer. The package will be shipped from our warehouse within 24 hours of the order being placed. Customers will be provided with a tracking number to track their package during transit.
