- Highlight: **OEM 2.0 usb a to usb c cable**, **5v 2.1a usb 2.0 to usb c cable**, **odm 2.0 usb a to usb c charging cable**

0.5M 1M 1.2M 1.5M 1.8M 2M 3M USB 2.0 Cable USB A To Type-C

Product Description:

Product Summary: USB 2.0 Cable USB A To Type-C

This USB 2.0 Cable USB A To Type-C is designed to provide fast charging and data transfer between your USB A devices and Type-C devices. It is made of high-quality PVC, TPE, PU, TPU, Silicone, and Magnetic PVC materials, ensuring durability and flexibility. This cable is certified by CE, FCC, and ROHS, ensuring that it meets the international standards of safety and reliability.

With its USB AM to Type-C design, this cable allows you to connect your older devices with USB A port to the newer devices with Type-C port. It supports fast charging and data transfer up to 480 Mbps, making it ideal for transferring large files, syncing data, and charging your devices quickly and efficiently.

This USB 2.0 Cable USB A To Type-C is compatible with a wide range of devices, including smartphones, tablets, laptops, and other devices with USB A and Type-C ports. It is also backward compatible with USB 1.1 and USB 2.0 devices, making it a versatile and convenient option for all your charging and data transfer needs.

This USB 2.0 Cable USB A To Type-C comes with a 12-month warranty for your peace of mind. If you encounter any issues with this cable, our customer service team is always ready to assist you. We believe in negotiation and communication, and we are committed to providing you with the best possible service.

Features:

Product Name: USB 2.0 Cable USB A TO Type-C For Android Phone Small And Convenient Easy To Carry

Certificate: CE FCC ROHS

Maximum Output Current: 0.7-0.9A

OEM/ODM Support: Customzied

Material: PVC / TPE / PU / TPU / Silicone / Magnetic PVC

Technical Parameters:
