

Customzied Micro USB To USB Type A Cable 2.0 Data Transfer Quick Charge

Our Product Introduction

for more products please visit us on jizhidatacable.com

Basic Information

- Place of Origin: Dongguan, China
- Brand Name: jizhi
- Certification: CE,ROHS
- Model Number: USB AM TO Micro
- Minimum Order Quantity: 3000
- Delivery Time: 2-5 working days
- Supply Ability: 300000 pieces of production capacity per month

Product Specification

- USB Type: USB AM TO Micro
- Function: Fast Charging
- OEM/ODM Support: Customzied
- Certifications: All Of Our Products Can Pass The Certifications Of CE,ROHS, FCC, REACH, ERP, PSE, Etc, Also The Products Has Audited By ISO, BSCI Which Enable Us To Produce High Quality Products With Fast Delivery All The Time.
- Theoretical Maximum Transmission Speed: 480Mbps (about 60M/S)
- Manufacturer: Our Factory Was Professional In Designing, Making And Exporting The Products Of Computer Peripherals, The Products Includes: HUB, Cables, Converters, Docking Station, Phone/ Laptop Holders, Adapters

Product Description

Product Description:

The theoretical maximum transmission speed of this cable is 480Mbps (about 60M/S), ensuring that data is transferred quickly and efficiently. The USB Type is USB AM To Micro, which is a common configuration for modern mobile devices. This cable is also compatible with USB 1.1 and USB 3.0 devices, making it a versatile option for users.

This USB 2.0 Cable USB AM To Micro features a durable construction, with a long plug life that ensures it will last for many uses. It is designed to provide reliable data transfer and charging capabilities for mobile devices, such as smartphones and tablets.

Our factory is a professional manufacturer of computer peripherals, including HUBs, cables, converters, docking stations, phone/laptop holders, adapters, and more. We are committed to providing high-quality products that meet the needs of our customers.

The USB 2.0 Cable USB A To Micro Long Plug Life For Mobile Phone Charging is a great investment for anyone who needs a reliable data cable for their mobile devices. Whether you need to transfer data or charge your device, this cable is up to the task.

Features:

Product Name: USB A To Micro

Length: 0.1m, 0.3m, 0.5m, 0.8m, 1m, Customized

Applicable Length: 0.5M, 1M, 1.2M, 1.5M, 1.8M, 2M, 3M

USB Type: USB AM TO Micro

OEM/ODM Support: Customized

Product Category: USB 2.0 Cable USB A To Micro, USB A To Micro

Technical Parameters:

Function	Fast Charging
Manufacturer	Our factory was professional in designing, making and exporting the products of computer peripherals, the products includes: HUB, Cables, converters, Docking station, phone/ laptop holders, adapters, etc
Certifications	All of our products can pass the certifications of CE,ROHS, FCC, REACH, ERP, PSE, etc, also the products has audited by ISO, BSCI which enable us to produce high quality products with fast delivery all the time.
RD Engineers	We have rich experienced RD engineers whom can design popular products to meet with market tendency in the world.
Theoretical Maximum Transmission Speed	480Mbps (about 60M/S)
Maximum Output Current	0.7-0.9A
USB Type	USB AM To Micro
Product Name	USB 2.0 Cable USB A TO Micro Long Plug Life For Mobile Phone Charging
Connector	USB 2.0 Cable
Material	PVC / TPE / PU / TPU / Silicone / Magnetic PVC

Applications:

Whether you are traveling, at home or in the office, the USB 2.0 Cable USB A To Micro is a reliable and convenient way to charge your mobile phone. It is compatible with a wide range of mobile phones, including Android devices, making it a versatile solution for all your mobile charging needs.

Thanks to its high-quality construction, this USB 2.0 Cable USB A To Micro has a long plug life, ensuring reliable and consistent performance over time. It is also certified by CE and ISO9001, so you can be sure that it meets the highest standards of quality and reliability.

Our USB 2.0 Cable USB A To Micro is produced in Dongguan China and has passed various certifications such as CE, ROHS, FCC, REACH, ERP, PSE, etc. It has also been audited by ISO and BSCI, which means that it is a high-quality product that is manufactured according to the highest standards.

One of the key features of the USB 2.0 Cable USB A To Micro is its customizability. We offer OEM/ODM support, so you can customize the cable to meet your specific needs and requirements. Whether you need a different color or length, we can work with you to create a customized solution that meets your needs.

In summary, the USB 2.0 Cable USB A To Micro is a versatile and reliable solution for all your mobile charging needs. With its high-quality construction, long plug life, and customizability, it is the perfect choice for anyone who needs a reliable and convenient way to

charge their mobile phone.
