

Red Nylon Braid USB 2.0 Cable USB A To Micro Data Transmission Custom Color

Our Product Introduction

for more products please visit us on jizhidatacable.com

Basic Information

- Place of Origin: Dongguan, China
- Brand Name: jizhi
- Certification: CE,ROHS
- Model Number: USB AM TO Micro
- Minimum Order Quantity: 3000
- Delivery Time: 2-5 working days
- Supply Ability: 300000 pieces of production capacity per month

Product Specification

- Connector: USB 2.0 Cable
- Material: PVC / TPE / PU / TPU / Silicone / Magnetic PVC
- Product Name: USB 2.0 Cable USB A TO Micro Long Plug Life For Mobile Phone Charging
- USB Type: USB AM TO Micro
- Product Category: USB 2.0 Cable
- Maximum Output Current: 0.7-0.9A
- Length: 0.1m 0.3m 0.5m 0.8m 1 M Customized
- OEM/ODM Support: Customzied
- Highlight: **data transmission usb a to micro cable,
nylon braid usb a to micro cable,
custom color usb a to micro cable**

Product Description

Red Nylon Braid USB 2.0 Cable USB A To Micro Various Colors Can Be Customized

Product Description:

The theoretical maximum transmission speed of this cable is 480Mbps (about 60M/S), which means that it can transfer data quickly and efficiently. This makes it ideal for use with high-speed devices such as smartphones, tablets, cameras, and more. The USB 2.0 Cable is a versatile and essential accessory for anyone who wants to connect their USB devices with Micro USB port.

Our team of experienced RD engineers have designed this cable to meet the market tendency in the world. They have ensured that the cable is compatible with a wide range of devices and that it delivers consistent performance. The USB A To Micro cable is a must-have accessory for anyone who wants to connect their devices quickly and efficiently.

Features:

Product Name: USB A To Micro

Certifications: All of our products can pass the certifications of CE,ROHS, FCC, REACH, ERP, PSE, etc, also the products has audited by ISO, BSCI which enable us to produce high quality products with fast delivery all the time.

RD Engineers: We have rich experienced RD engineers whom can design popular products to meet with market tendency in the world.

Length: 0.1m 0.3m 0.5m 0.8m 1 m Customized

Interface: Micro USB

Function: Fast Charging

Technical Parameters:

| | |

Applications:

The USB AM To Micro product is designed with a Micro USB interface, which allows you to connect your devices seamlessly. The maximum output current of the cable is 0.7-0.9A, making it a reliable and fast charging option. The product is also designed with the latest technology, ensuring that your device is protected from overcharging, overheating, and short-circuiting.

The USB A To Micro product is an essential tool for anyone who values reliable connectivity. It is perfect for various occasions and scenarios, such as:

Charging your phone, tablet, or other devices

Transferring files between devices

Connecting your device to a computer for data transfer

Connecting your device to a car stereo for music playback

Connecting your device to a power bank for charging on-the-go

Jizhi's USB AM To Micro is designed to meet the market trends, thanks to its experienced RD engineers. The product is also affordable and is available in various stores worldwide, making it easy to acquire. It's a reliable and durable product that will serve you for an extended period.

Support and Services:

The USB A to Micro product is designed to provide reliable and high-speed data transfer between devices with a USB A port and devices with a Micro USB port. Our technical support team is available to assist with any issues related to the installation, configuration, or use of this product. Additionally, we offer a range of services to ensure the optimal performance of your USB A to Micro cable, including:

- Product warranty and replacement
- Online resources and user guides
- Product updates and firmware upgrades
- Compatibility testing with various devices and operating systems
- Technical consultation and troubleshooting

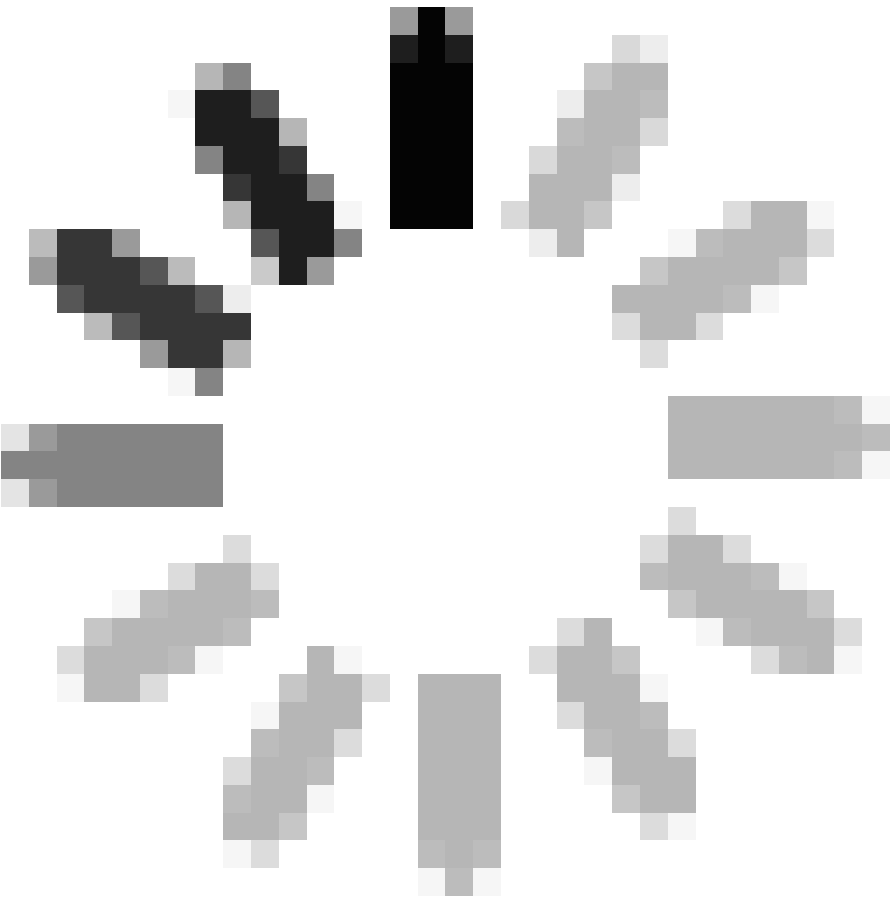

We are committed to providing our customers with the highest level of support and service for the USB A to Micro product. Please do not hesitate to contact us if you have any questions or concerns.

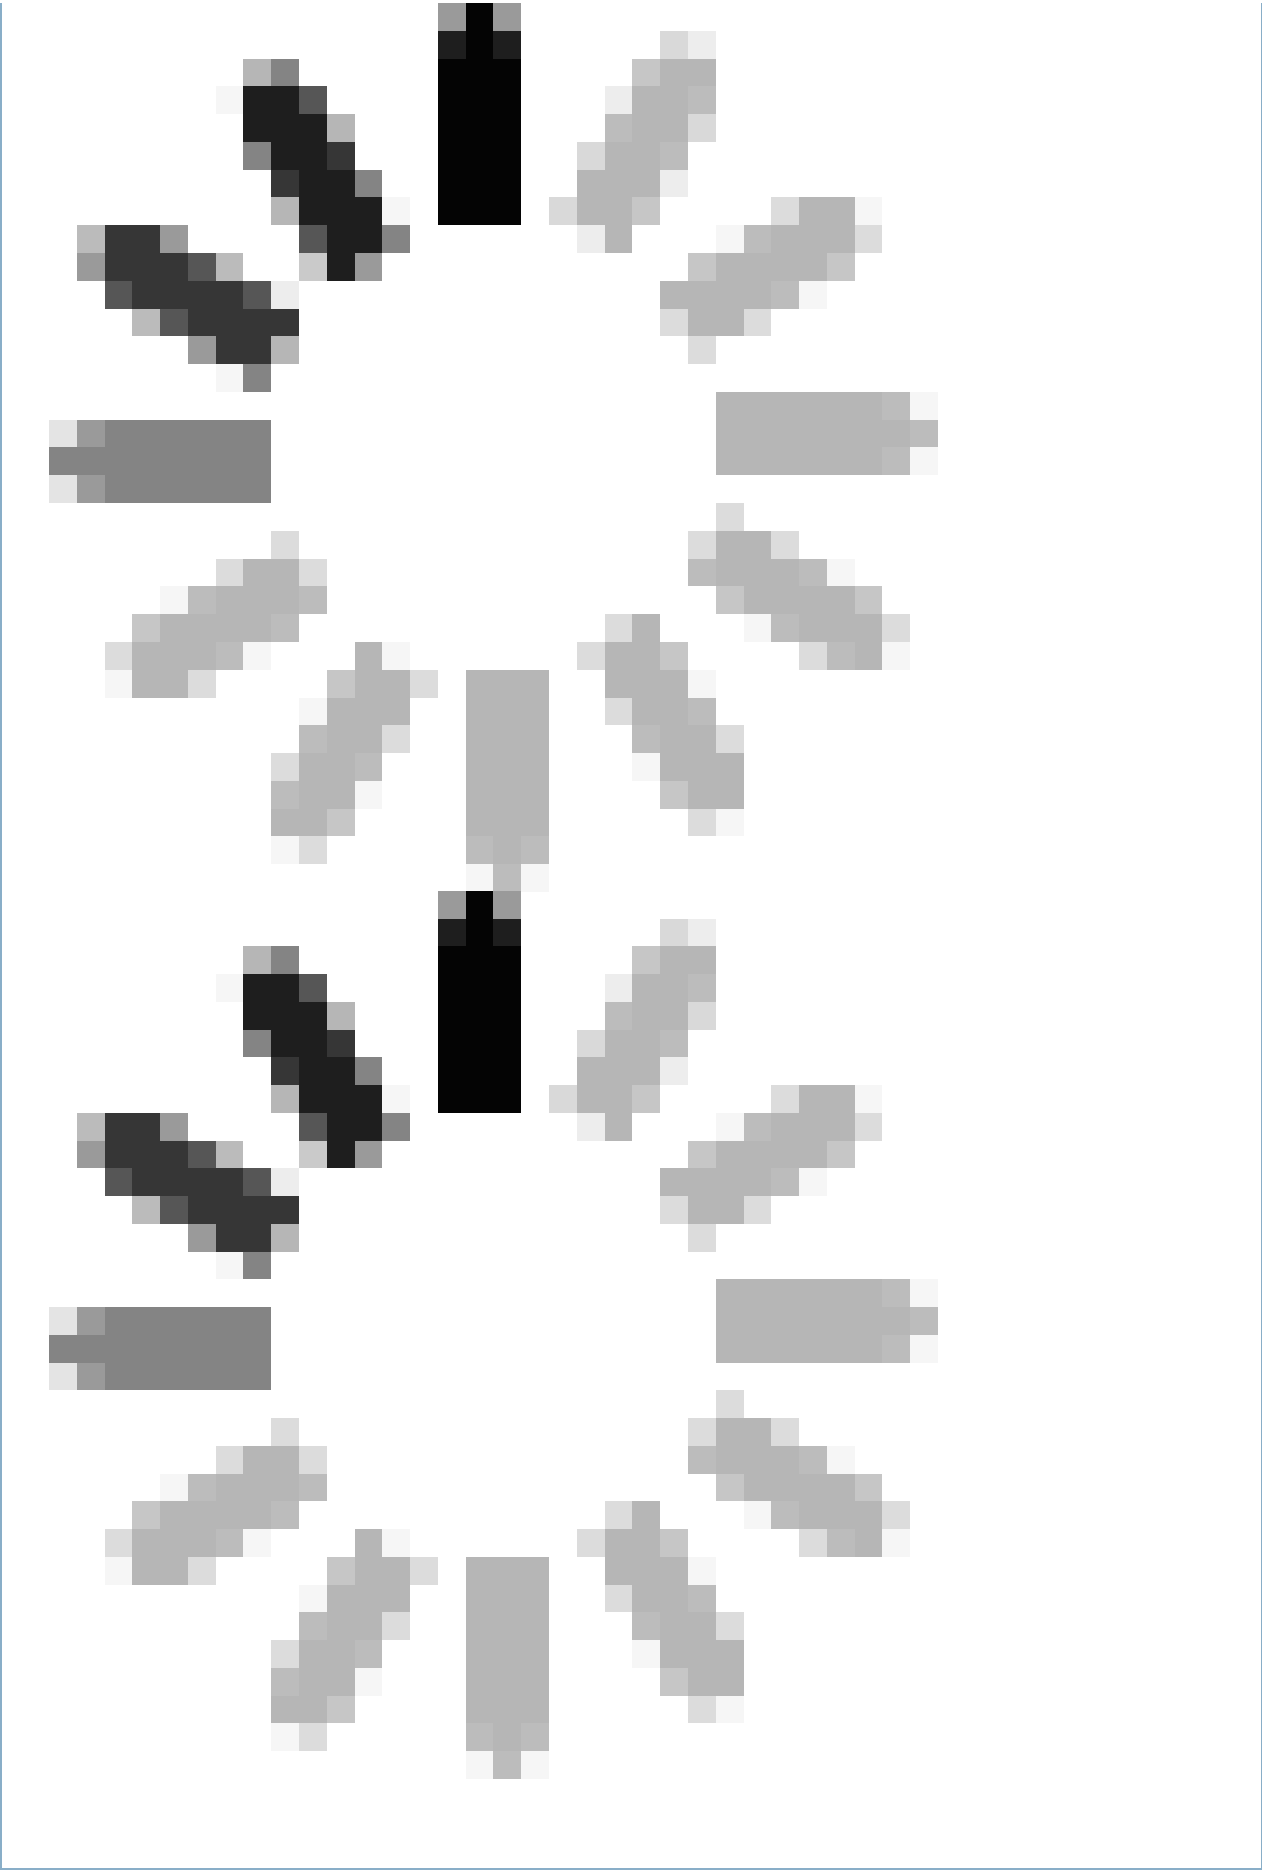

Packing and Shipping:

- Product Packaging:
 - 1 USB A to Micro Cable
 - Clear plastic packaging
 - Product label with specifications
- Shipping:
 - Ships within 1-2 business days
 - Free standard shipping within the US
 - International shipping available for an additional fee
 - Product will be securely packaged and shipped via USPS

FAQ:

- Q:** What is the brand name of this product?
A: The brand name of this product is Jizhi.
- Q:** What is the model number of this product?
A: The model number of this product is USB AM TO Micro.
- Q:** Is this product certified?
A: Yes, this product is certified with CE and ISO9001.
- Q:** Where is this product manufactured?
A: This product is manufactured in Dongguan, China.
- Q:** What devices is this cable compatible with?
A: This cable is compatible with devices that have a micro USB port, including smartphones, tablets, and other mobile devices.
