

## Black Nylon Braid Micro USB To USB Type A Cable For Charging And Data Transmission

Our Product Introduction

for more products please visit us on [jizhidatacable.com](http://jizhidatacable.com)

### Basic Information

- Place of Origin: Dongguan, China
- Brand Name: jizhi
- Certification: CE,ROHS
- Model Number: USB AM TO Micro
- Minimum Order Quantity: 3000
- Delivery Time: 2-5 working days
- Supply Ability: 300000 pieces of production capacity per month

### Product Specification

- Length: 0.1m 0.3m 0.5m 0.8m 1 M Customized
- Manufacturer: Our Factory Was Professional In Designing, Making And Exporting The Products Of Computer Peripherals, The Products Includes: HUB, Cables, Converters, Docking Station, Phone/ Laptop Holders, Adapters, Etc
- Feature: Charging + Data Transmission
- Maximum Output Current: 0.7-0.9A
- Connector: USB 2.0 Cable
- Applicable Length: 0.5M 1M 1.2M 1.5M 1.8M 2M 3M
- Product Name: USB 2.0 Cable USB A TO Micro Long Plug Life For Mobile Phone Charging
- Theoretical Maximum: 480Mbps (about 60M/S)

## Product Description

### Product Description:

Our USB 2.0 Cable USB A To Micro has been audited by ISO and BSCI, and can pass the certifications of CE, ROHS, FCC, REACH, ERP, PSE, and more. This means that you can be assured of the highest quality and safety standards, as well as fast delivery times. The theoretical maximum transmission speed of the USB 2.0 Cable USB A To Micro is 480Mbps, which is equivalent to about 60M/S. This ensures that data can be transferred quickly and efficiently, allowing you to get the most out of your device. The USB 2.0 Cable USB A To Micro is available in a range of lengths, including 0.5M, 1M, 1.2M, 1.5M, 1.8M, 2M, and 3M. This allows you to choose the length that best suits your needs, whether you need a shorter cable for use on the go or a longer cable for use at home or in the office. The USB 2.0 Cable USB A To Micro is made from high-quality materials, including PVC, TPE, PU, TPU, Silicone, and Magnetic PVC. This ensures that the cable is durable and long-lasting, even with frequent use.

### Features:

Product Name: USB 2.0 Cable USB A TO Micro Long Plug Life For Mobile Phone Charging

Product Category: USB 2.0 Cable

Certifications: CE, ROHS, FCC, REACH, ERP, PSE, ISO, BSCI

Feature: Charging + Data Transmission

Manufacturer: Our factory was professional in designing, making and exporting the products of computer peripherals, the products includes: HUB, Cables, converters, Docking station, phone/ laptop holders, adapters, etc

### Technical Parameters:

Interface	Micro USB
RD Engineers	We have rich experienced RD engineers whom can design popular products to meet with market tendency in the world.
OEM/ODM Support	Customized
Function	Fast Charging
USB Type	USB AM TO Micro
Product Name	USB 2.0 Cable USB A TO Micro Long Plug Life For Mobile Phone Charging
Product Category	USB 2.0 Cable
Applicable Length	0.5M 1M 1.2M 1.5M 1.8M 2M 3M
Certifications	All of our products can pass the certifications of CE,ROHS, FCC, REACH, ERP, PSE, etc, also the products has audited by ISO, BSCI which enable us to produce high quality products with fast delivery all the time.
Length	0.1m 0.3m 0.5m 0.8m 1 m Customized

### Applications:

Made in Dongguan China, this cable features a USB A to Micro connector, allowing it to work with a wide range of devices. The maximum output current of 0.7-0.9A ensures fast charging times, while the choice of materials, including PVC, TPE, PU, TPU, Silicone, and Magnetic PVC, guarantee durability and flexibility.

The Jizhi USB 2.0 Cable USB A TO Micro is perfect for use in a variety of scenarios. Its compact size and customizable length (0.1m, 0.3m, 0.5m, 0.8m, 1m, or customized) make it ideal for travel and everyday use. Whether you need to charge your phone on the go or sync data between devices, this cable has you covered.

Its long plug life ensures that you can use it for years to come, making it a great investment for anyone who wants a reliable charging cable. Whether you're a student, a professional, or just someone who needs to keep their devices charged, the Jizhi USB 2.0 Cable USB A TO Micro is an excellent choice.

With its high-quality construction, fast charging times, and compatibility with a wide range of devices, the Jizhi USB A To Micro is the perfect cable for anyone who needs to keep their mobile devices charged and synced. Order yours today and experience the convenience and reliability of this top-quality cable!

### Support and Services:

The USB A to Micro is a data cable used to connect devices with a standard USB A port to devices with a micro-USB port. Our technical support team is available to assist with any issues related to the proper functioning of the cable, including compatibility, connectivity, and data transfer speeds. Our services include troubleshooting, repair, and replacement of defective cables within the warranty period. Please note that our technical support and services do not cover any physical damage or misuse of the cable. For further assistance, please refer to the user manual or contact our customer support team.

### Packing and Shipping:

**Product Packaging:**

Our USB A to Micro product comes in a compact and sleek packaging that protects the product from any damage during shipping. The packaging includes the USB A to Micro cable and a user manual with instructions for use.

**Shipping:**

We offer free standard shipping for our USB A to Micro product. The product will be shipped within 24 hours of placing the order and will arrive within 3-5 business days. We also offer expedited shipping options at an additional cost for those who need the product sooner.

### FAQ:
