

## Black Usb A To Micro Usb Cable Fast Charging 0.7-0.9A Wear Resistant OEM ODM

Our Product Introduction

for more products please visit us on [jizhidatacable.com](http://jizhidatacable.com)

### Basic Information

- Place of Origin: Dongguan, China
- Brand Name: jizhi
- Certification: CE,ROHS
- Model Number: USB AM TO Micro
- Minimum Order Quantity: 3000
- Delivery Time: 2-5 working days
- Supply Ability: 300000 pieces of production capacity per month

### Product Specification

- Feature: Charging + Data Transmission
- Length: 0.1m 0.3m 0.5m 0.8m 1 M Customized
- Applicable Length: 0.5M 1M 1.2M 1.5M 1.8M 2M 3M
- USB Type: USB AM TO Micro
- Theoretical Maximum Transmission Speed: 480Mbps (about 60M/S)
- Certifications: All Of Our Products Can Pass The Certifications Of CE,ROHS, FCC, REACH, ERP, PSE, Etc, Also The Products Has Audited By ISO, BSCI Which Enable Us To Produce High Quality Products With Fast Delivery All The Time.
- Product Category: USB 2.0 Cable
- Manufacturer: Our Factory Was Professional In Designing, Making And Exporting The Products Of

## Product Description

### Product Description:

Our factory specializes in designing, making, and exporting computer peripherals, including HUBs, cables, converters, docking stations, phone/laptop holders, adapters, and more. We pride ourselves in providing high-quality products with fast delivery, and our products have been audited by ISO and BSCI, ensuring that our products meet the highest standards.

Our USB 2.0 Cable USB A to Micro is certified to pass CE, ROHS, FCC, REACH, ERP, PSE, and other certifications, ensuring that you are receiving a safe and reliable product.

One of the standout features of our USB 2.0 Cable USB A to Micro is its longevity. Our product is designed to have a long plug life, ensuring that you can use it for years to come without worrying about wear and tear.

Our USB 2.0 Cable USB A to Micro is not only perfect for charging your mobile phone, but it also allows for data transmission. This feature enables you to quickly and easily transfer files between your phone and computer, making it an incredibly versatile product. Invest in our USB 2.0 Cable USB A to Micro today and experience the convenience of having a high-quality charging and data transmission cable on hand.

### Features:

Product Name: USB 2.0 Cable USB A TO Micro Long Plug Life For Mobile Phone Charging

Applicable Length: 0.5M, 1M, 1.2M, 1.5M, 1.8M, 2M, 3M

Theoretical Maximum Transmission Speed: 480Mbps (about 60M/S)

RD Engineers: We have rich experienced RD engineers whom can design popular products to meet with market tendency in the world.

Length: 0.1m, 0.3m, 0.5m, 0.8m, 1m Customized

Compatible with USB 2.0, USB AM To Micro, USB A To Micro devices

Long plug life for extra durability

Designed for mobile phone charging

### Technical Parameters:

Maximum Output Current:	0.7-0.9A
Manufacturer:	Our factory was professional in designing, making and exporting the products of computer peripherals, the products includes: HUB, Cables, converters, Docking station, phone/ laptop holders, adapters, etc
OEM/ODM Support:	Customized
Interface:	Micro USB
Material:	PVC / TPE / PU / TPU / Silicone / Magnetic PVC
Length:	0.1m 0.3m 0.5m 0.8m 1 m Customized
USB Type:	USB AM To Micro
Function:	Fast Charging
RD Engineers:	We have rich experienced RD engineers whom can design popular products to meet with market tendency in the world.
Connector:	USB 2.0 Cable

### Applications:

The USB A To Micro cable is made of a variety of materials, including PVC, TPE, PU, TPU, Silicone, and Magnetic PVC. The cable's interface is Micro USB, which is compatible with a wide range of devices.

Jizhi's factory is professional in designing, making, and exporting computer peripheral products, including HUBs, cables, converters, docking stations, phone/laptop holders, adapters, and more.

The theoretical maximum transmission speed of the USB 2.0 Cable USB A To Micro is 480Mbps, which is about 60M/S. This makes it ideal for transferring large files quickly.

The USB A To Micro cable is suitable for a wide range of applications and scenarios. Some of these include:

Charging and syncing smartphones and tablets

Connecting peripherals such as keyboards, mice, and printers to a computer

Transferring data between devices such as cameras, MP3 players, and external hard drives

Connecting gaming devices to a computer for a seamless gaming experience

Overall, the USB 2.0 Cable USB A To Micro is a versatile and durable cable that is perfect for anyone who needs a reliable data transfer solution.

## Support and Services:

Our USB A to Micro product offers reliable and efficient technical support and services to ensure that our customers get the most out of their product. Our team of experts is available to assist with any technical issues or questions regarding the product's functionality. We also offer a range of services, including product installation, troubleshooting, and repair. Our commitment to customer satisfaction means that we strive to provide prompt and effective solutions to any issues that may arise.

## Packing and Shipping:

Product Packaging:

USB A to Micro cable

User manual

Shipping:

Ships within 1 business day

Free standard shipping

Tracking number provided

Delivery time: 3-5 business days

## FAQ:

**Q: What is the brand name of this product?**

A: The brand name of this product is Jizhi.

**Q: What is the model number of this product?**

A: The model number of this product is USB AM TO Micro.

**Q: Is this product certified?**

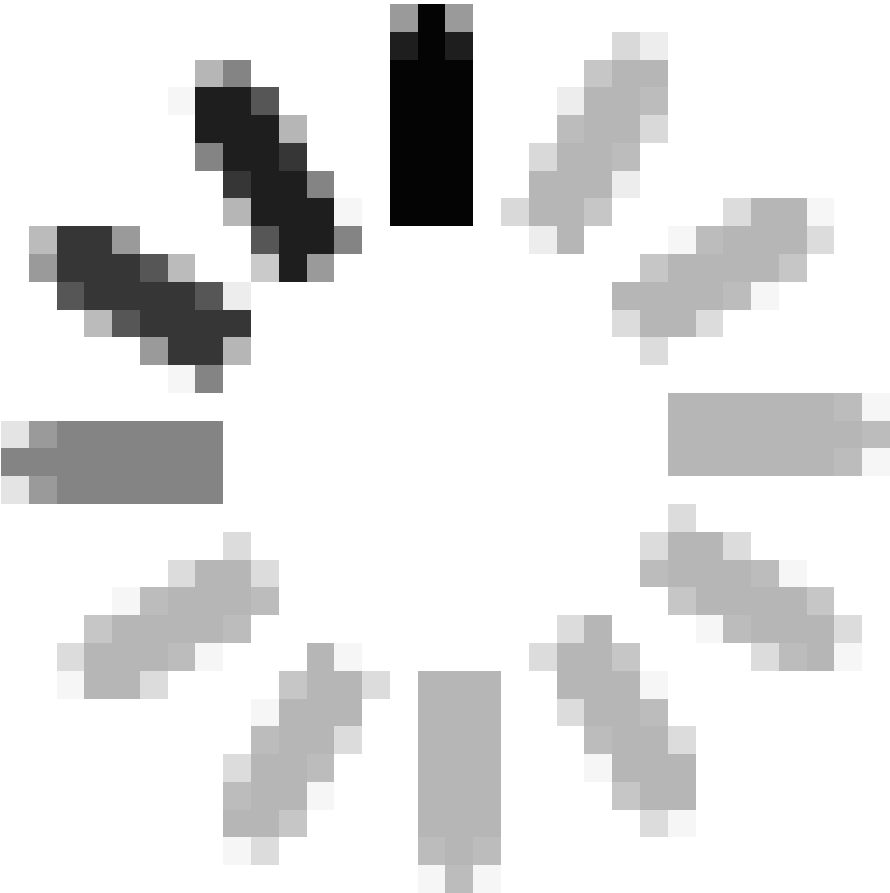

A: Yes, this product is certified with CE and ISO9001.

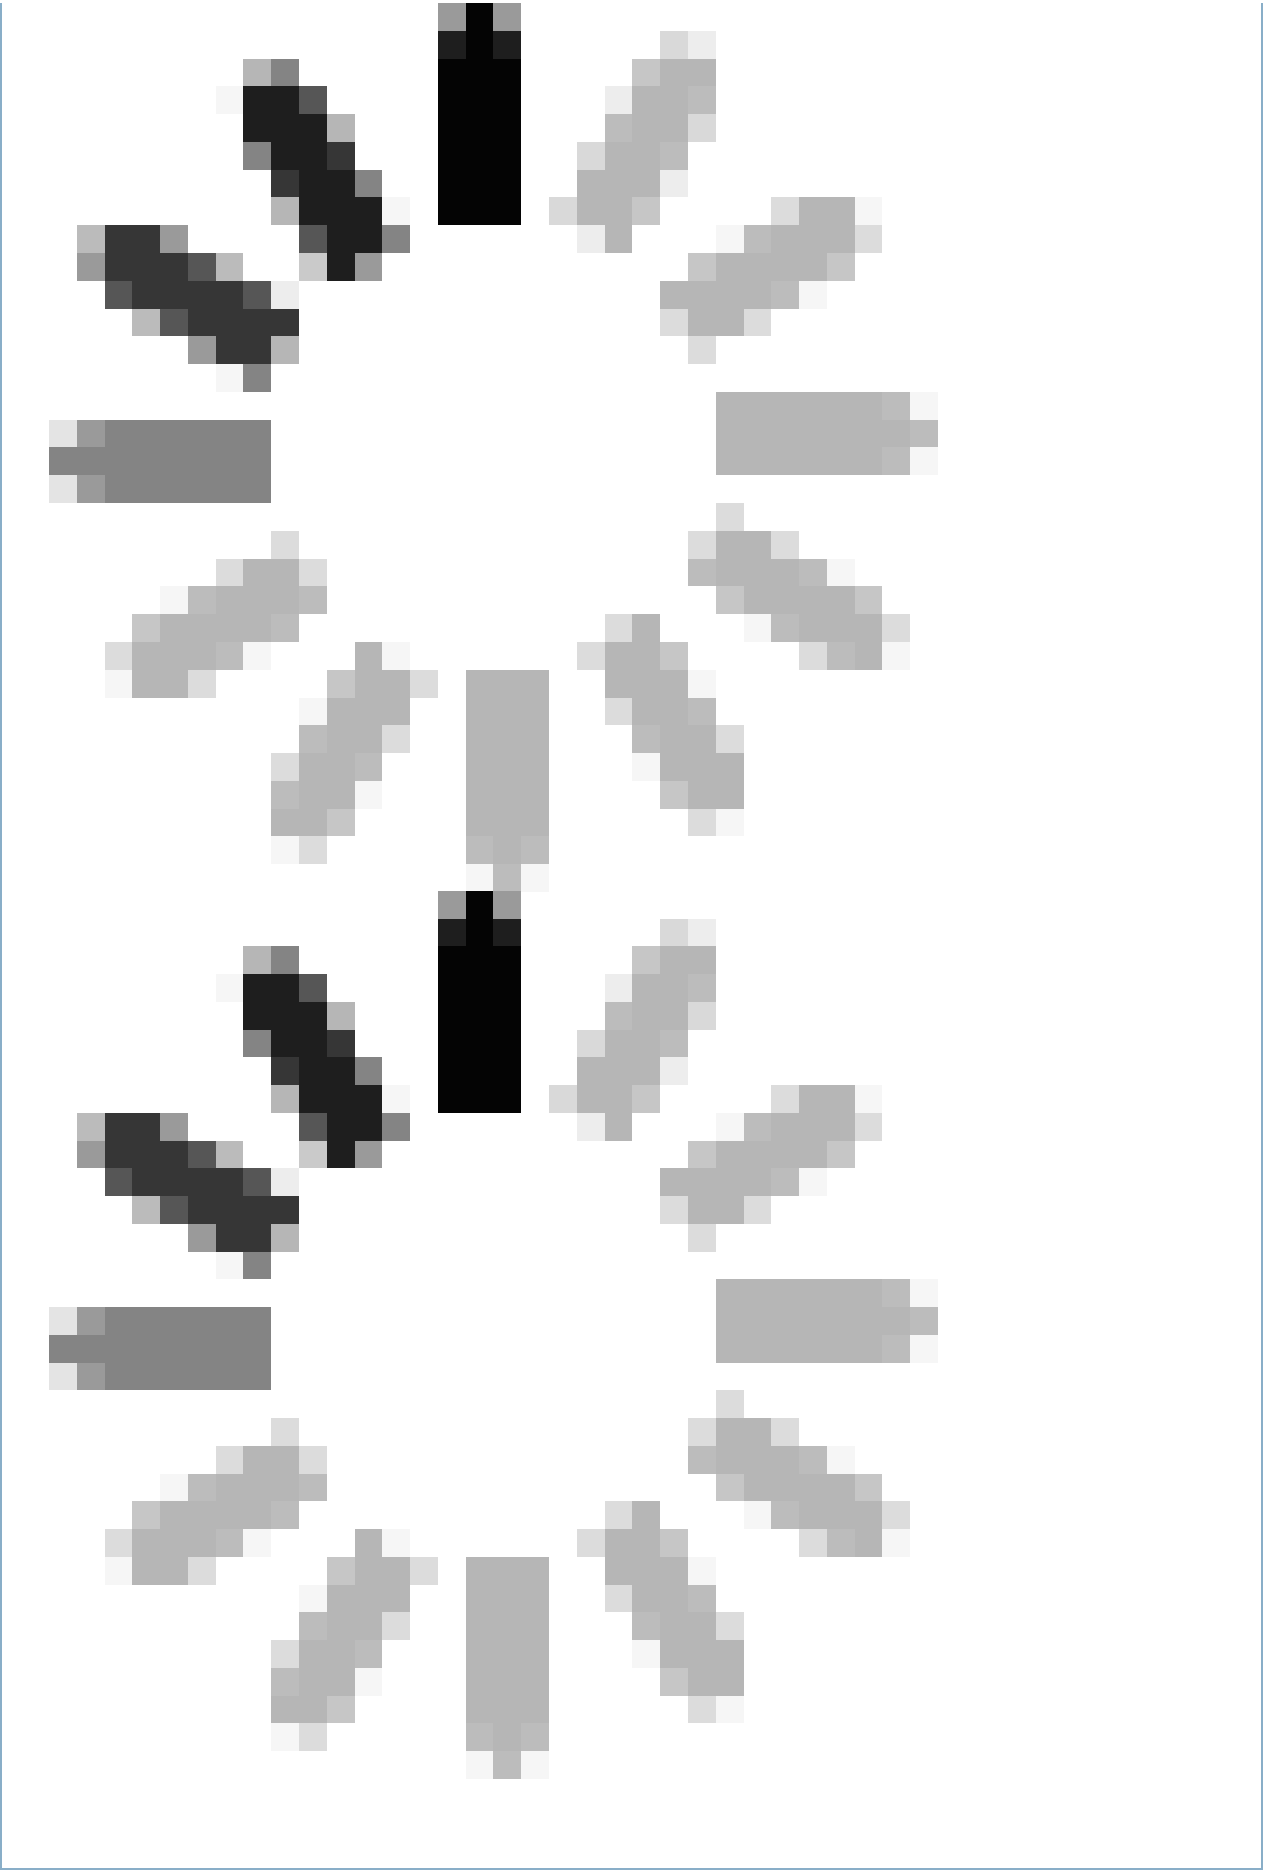

**Q: Where is this product manufactured?**

A: This product is manufactured in Dongguan, China.

**Q: What devices is this product compatible with?**

A: This product is compatible with devices that have a Micro-USB port, such as smartphones, tablets, and some cameras.
