- Manufacturer: Computer Peripherals
- Highlight: **usb a to lightning cable 2m**,
  multiple color usb a to lightning cable,
  480Mbps lightning cable to usb a cable

Customzied Fast Charging USB 2.0 Cable USB A To Lightning Multiple Color Options

Product Description:

Our product is certified by ISO and BSCI, ensuring that it meets the highest standards of quality and safety. You can trust that our cable is built to last and won't let you down when you need it the most.

The USB 2.0 Cable USB AM To Lightning comes with a Micro USB interface that allows you to connect it to a wide range of devices. Whether you are using a computer, wall charger, or power bank, our cable is compatible with all of them. It also has a maximum output current of 0.7-0.9A, making it capable of charging your devices quickly and efficiently.

One of the most exciting things about our USB AM To Lightning cable is that it is highly customizable. You can choose the color and design that best suits your style and personality. This feature makes our cable an excellent gift idea for your friends and loved ones who love to personalize their gadgets.

In conclusion, if you are looking for a reliable and high-quality USB cable for your Apple devices, look no further than the USB 2.0 Cable USB AM To Lightning. With its fast charging capability, high-speed data transfer, and customizable design, it is the perfect accessory for your gadgets.

Features:

Product Name: USB A To Lightning

Interface: Micro USB

Theoretical maximum transmission speed: 480Mbps (about 60M/S)

Product category: USB 2.0 Cable

Audits: ISO, BSCI

Manufacturer: Computer peripherals

Technical Parameters:

Product Name:	Nylon Braided USB 2.0 Cable USB AM TO Lightning
Product Category:	USB 2.0 Cable
Compatibility:	Apple Mobile Phones
Design:	Customizable
Theoretical Maximum Transmission Speed:	480Mbps (about 60M/S)
Applicable Length:	0.5M, 1M, 1.2M, 1.5M, 1.8M, 2M, 3M
Function:	Fast Charging
Certifications:	CE, ROHS, FCC, REACH, ERP, PSE
Audits:	ISO, BSCI
Manufacturer:	Computer Peripherals

Applications:

The USB 2.0 Cable USB A To Lightning is a versatile product that can be used in various occasions and scenarios. The product is available in different lengths, including 0.5M, 1M, 1.2M, 1.5M, 1.8M, 2M, and 3M, which makes it suitable for different usage scenarios. The USB 2.0 Cable USB A To Lightning is ideal for use at home, in the office, or on the go.

The USB 2.0 Cable USB A To Lightning is perfect for those who want to charge their Apple devices quickly and efficiently. The cable has a maximum output current of 0.7-0.9A, which ensures that your device charges at a fast rate. The cable is also very durable and can withstand everyday wear and tear.

Jizhi USB 2.0 Cable USB A To Lightning is an OEM/ODM supported product, which means it can be customized to meet the specific needs of the customer. The product is suitable for use with various Apple devices, including iPhones, iPads, and iPods.

In conclusion, if you are looking for a high-quality and certified USB 2.0 Cable USB A To Lightning for fast charging of your Apple devices, then Jizhi USB AM To Lightning is the perfect product for you. With its different lengths, fast charging capability, and durability, this product is ideal for use in various occasions and scenarios.
