Basic Information

- Place of Origin: Dongguan, China
- Brand Name: jizhi
- Certification: CE,ROHS
- Model Number: USB AM TO Lightning
- Minimum Order Quantity: 3000
- Delivery Time: 2-5 working days
- Supply Ability: 300000 pieces of production capacity per month

Product Specification

- Certifications: CE,ROHS, FCC, REACH, ERP, PSE
- Material: PVC / TPE / PU / TPU / Silicone / Magnetic PVC
- Compatibility: Apple Mobile Phones
- Theoretical Maximum Transmission Speed: 480Mbps (about 60M/S)
- Maximum Output Current: 0.7-0.9A
- Manufacturer: Computer Peripherals
- Highlight: **usb a to lightning nylon braided charging cable, black dustproof usb a to lightning cable, usb 2.0 usb a to lightning cable**

Product Description

Black Nylon Braided Dustproof USB 2.0 Cable USB A To Lightning

Product Description:

The USB A To Lightning product has undergone audits and certifications, including ISO and BSCI, to ensure that it meets the highest quality standards. This means that users can expect a reliable and safe charging experience every time they use the cable.

The USB AM To Lightning product is designed to provide fast charging capabilities. This means that users can expect their devices to charge quickly and efficiently. With its USB 2.0 Cable technology, the product is able to transfer data at high speeds, making it ideal for those who need to transfer large files between devices.

The USB A To Lightning product is compatible with a wide range of devices, including iPhones and iPads. This makes it a versatile product that can be used by anyone who needs to charge their devices on the go. The cable is also available in a range of lengths, making it suitable for use in a variety of settings, including at home, in the office, or while traveling.

In conclusion, the USB AM To Lightning product is a USB 2.0 Cable that is designed to provide a fast and efficient charging experience. Its durable construction and certifications ensure that users can expect a reliable and safe charging experience every time they use the cable. Its compatibility with a wide range of devices and available lengths make it a versatile product that can be used in a variety of settings.

Features:

Product Name: USB A To Lightning

Certifications:

CE

ROHS

FCC

REACH

ERP

PSE

Design: Customizable

Theoretical maximum transmission speed: 480Mbps (about 60M/S)

Maximum output current: 0.7-0.9A

Product category: USB 2.0 Cable

Keywords: USB 2.0 Cable USB AM To Lightning, USB AM To Lightning, USB A To Lightning

Technical Parameters:

Product Name:	USB A To Lightning
Material:	PVC / TPE / PU / TPU / Silicone / Magnetic PVC
Maximum Output Current:	0.7-0.9A
Manufacturer:	Computer peripherals
Product Category:	USB 2.0 Cable
Theoretical Maximum Transmission Speed:	480Mbps (about 60M/S)
Design:	Customizable
Applicable Length:	0.5M 1M 1.2M 1.5M 1.8M 2M 3M
Compatibility:	Apple Mobile Phones
Function:	Fast Charging
OEM/ODM Support:	Customized

Applications:

The Jizhi USB AM To Lightning is a high-quality USB 2.0 Cable that is compatible with Apple devices. This product has CE and ISO9001 Certification, ensuring that it meets all safety and quality standards. It is manufactured in Dongguan, China, using high-quality materials such as PVC, TPE, PU, TPU, Silicone, and Magnetic PVC.

The Nylon Braided USB 2.0 Cable USB AM To Lightning is available in various lengths, including 0.5M, 1M, 1.2M, 1.5M, 1.8M, 2M, and 3M, making it suitable for various scenarios. The theoretical maximum transmission speed of this product is 480Mbps (about 60M/S), which ensures fast and reliable data transfer.

The USB AM To Lightning cable is ideal for use in a wide range of applications. Here are some of the occasions and scenarios where this product can be used:

Charging and syncing Apple devices such as iPhones, iPads, and iPods.

Connecting Apple devices to computers, laptops, and other devices with a USB port.

Using with power banks and other charging devices to charge Apple devices on the go.

Connecting Apple devices to car stereos, speakers, and other audio devices with a USB port.

Using in offices, homes, and other environments where Apple devices need to be charged or synced with other devices. The USB AM To Lightning cable is a versatile and reliable product that is designed to meet the needs of Apple device users. With its high-quality construction, fast data transfer speeds, and compatibility with a wide range of devices, it is an essential accessory for anyone who owns an Apple device.

Support and Services:

Our USB A to Lightning product is designed to provide fast and efficient charging and data transfer for Apple devices with a Lightning port. Our technical support team is available to assist with any issues or questions regarding the product, including compatibility with various devices and operating systems. We also offer services such as product installation and setup, troubleshooting, and repairs. Our goal is to ensure that our customers have a seamless experience using our product and are satisfied with their purchase.

Packing and Shipping:

Product Packaging:

- One USB A to Lightning cable
- Protective plastic casing
- User manual

Shipping:

- All orders will be shipped within 24 hours of purchase
- Shipping is free for all orders above \$25
- Standard shipping time is 3-5 business days
- Expedited shipping options are available at checkout

FAQ:

Q: What is the brand name of the product?

A: The brand name of this product is Jizhi.

Q: What is the model number of the product?

A: The model number of this product is USB AM TO Lightning.

Q: What certifications does this product have?

A: This product is certified by CE and ISO9001.

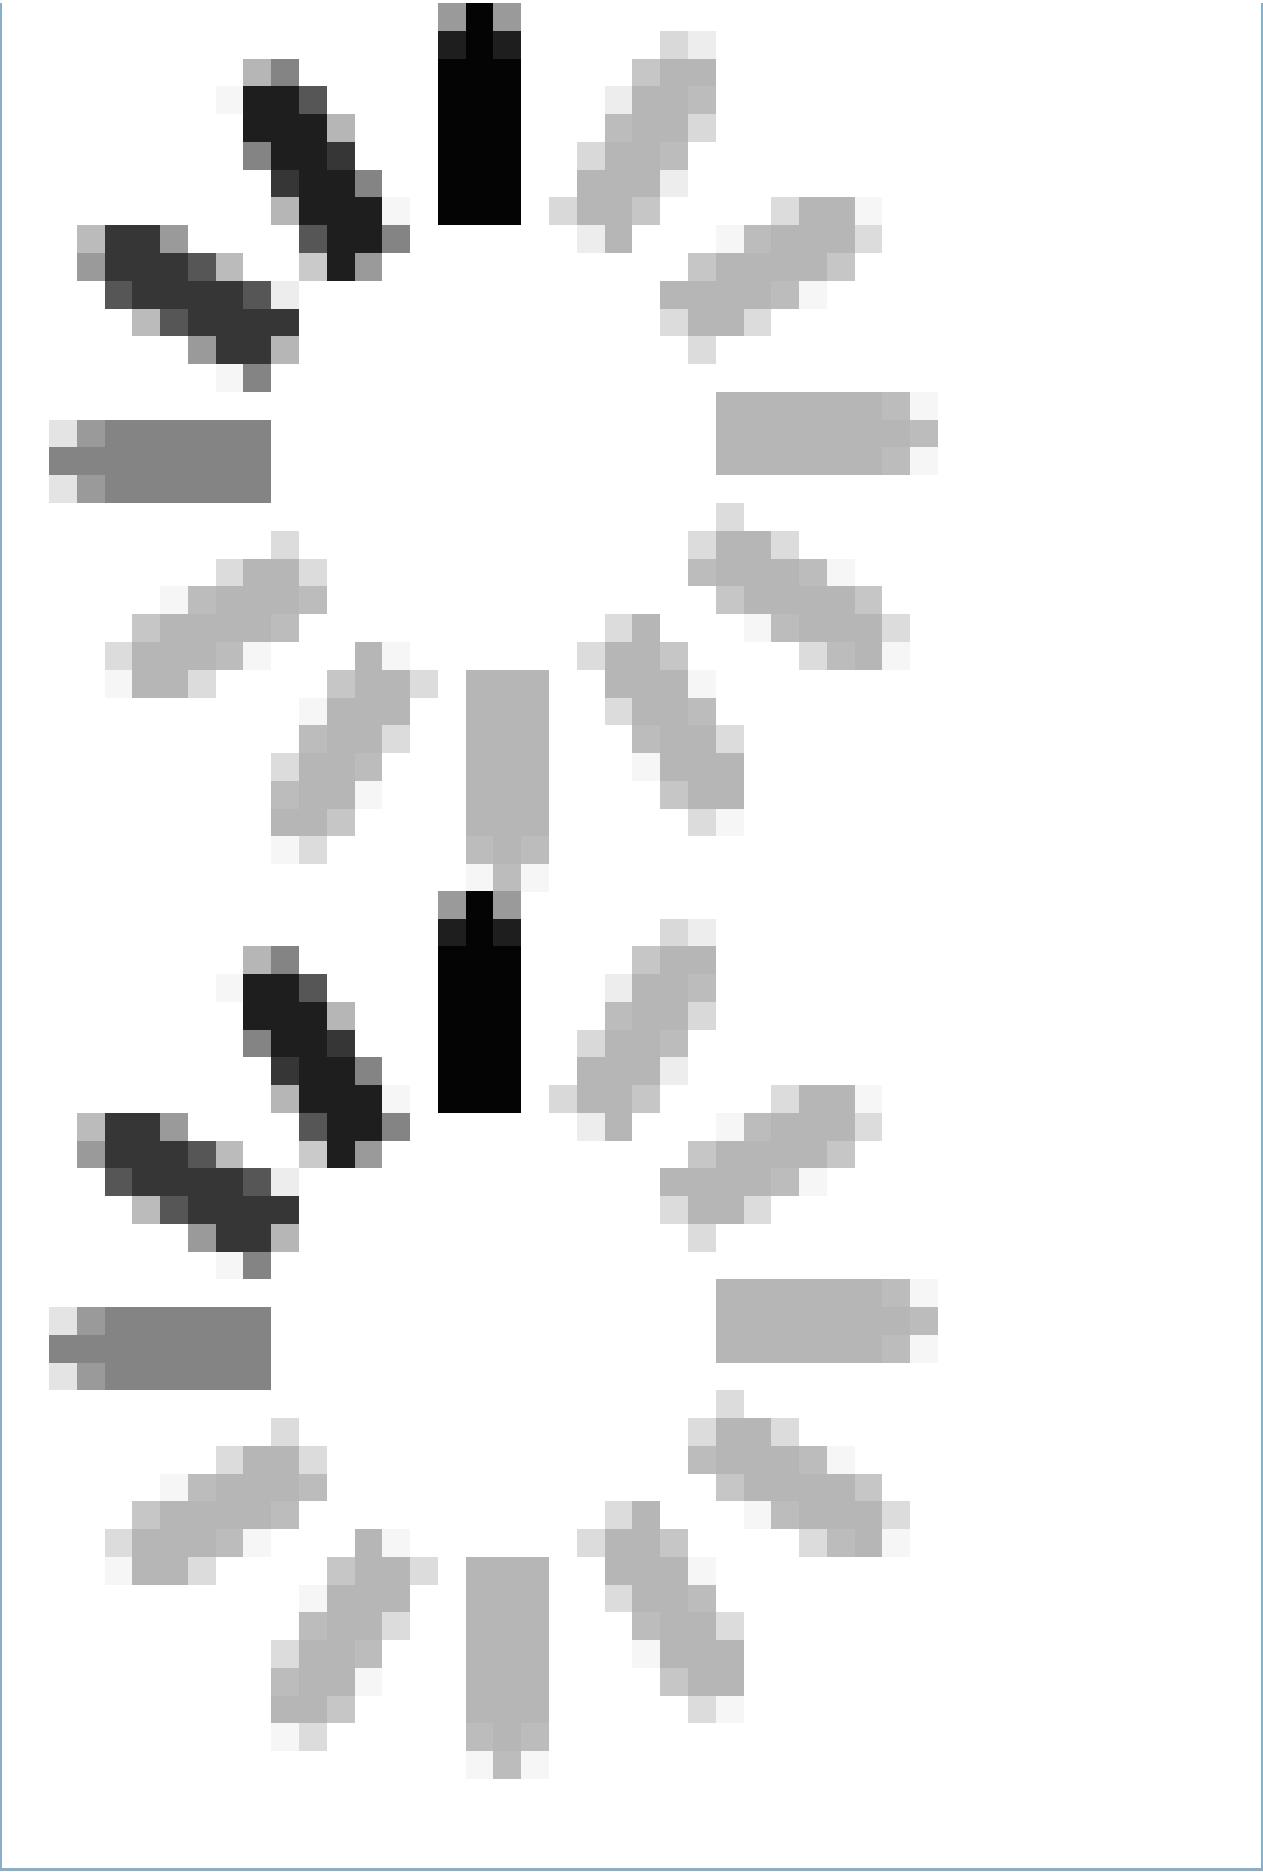

Q: Where is this product made?

A: This product is made in Dongguan, China.

Q: Is this product compatible with all Lightning devices?

A: Yes, this product is compatible with all devices that use a Lightning connector.
