Product Name: USB A To Lightning

Audits: ISO, BSCI

Design: Customizable

Maximum output current: 0.7-0.9A

USB Type: USB AM TO Lightning

Product name: Nylon Braided USB 2.0 Cable USB AM TO Lightning

Technical Parameters:

Product Category	USB 2.0 Cable
USB Type	USB A To Lightning
Audits	ISO, BSCI
Function	Fast Charging
Maximum Output Current	0.7-0.9A
Applicable Length	0.5M, 1M, 1.2M, 1.5M, 1.8M, 2M, 3M
Theoretical Maximum Transmission Speed	480Mbps (about 60M/S)
Compatibility	Apple Mobile Phones
RD Engineers	Experienced
Design	Customizable

Applications:

This USB AM To Lightning cable is CE and ISO9001 certified, ensuring that it meets the highest quality standards. It is manufactured in Dongguan, China, by experienced RD engineers.

The USB AM To Lightning cable is designed to work with Apple devices that have a Lightning port. This means that it is perfect for charging and syncing iPhones, iPads, and iPods.

This USB A To Lightning cable is versatile and can be used in a variety of different scenarios. For example, it can be used to charge your iPhone or iPad from a wall adapter, a computer, or a portable power bank.

Additionally, this cable can be used to transfer data between your Apple device and your computer. For example, you can use it to transfer photos or music from your iPhone to your computer.

Overall, Jizhi's USB AM To Lightning cable is a high-quality product that provides fast data transfer and charging capabilities. Whether you are at home, in the office, or on the go, this cable is the perfect solution for your Apple device charging and syncing needs.

Support and Services:

The USB A to Lightning cable provides fast charging and syncing capabilities for Apple devices with a Lightning port. The cable is compatible with USB-A ports found on most computers, wall adapters, and car chargers.

The cable is made with high-quality materials to ensure durability and longevity. It has undergone rigorous testing to meet Apple's standards and is MFi certified.

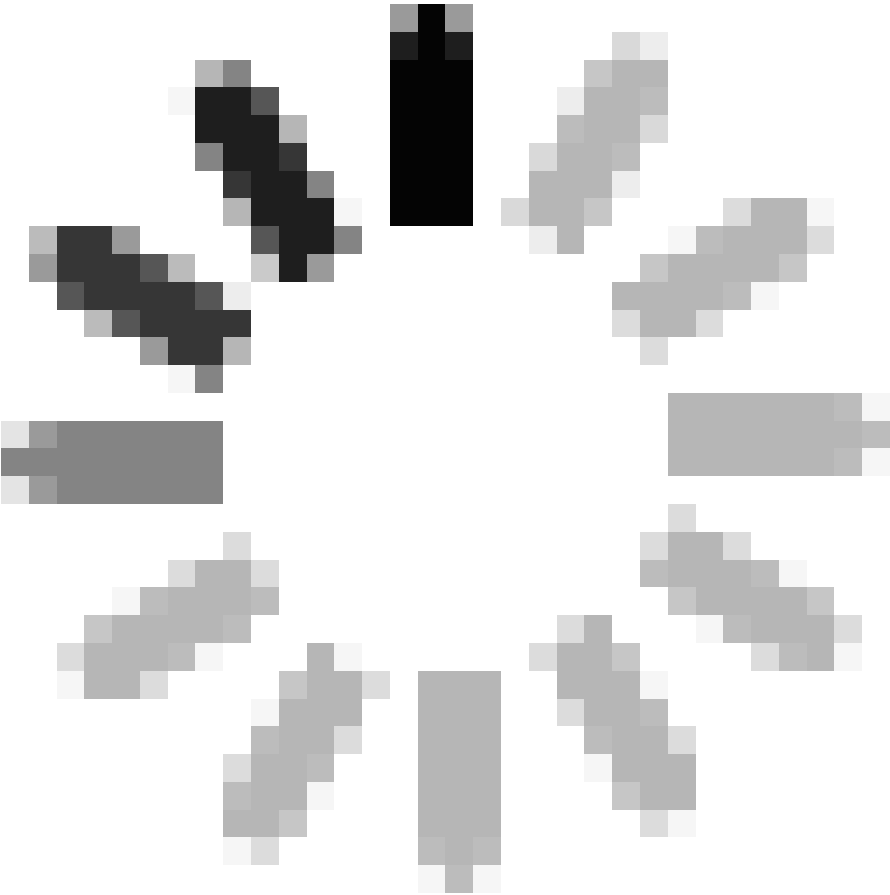

If you experience any technical issues with the cable, our product support team is available to assist you. We offer troubleshooting tips and can provide a replacement cable if necessary.
