- Brand: Jizhi
- Theoretical Maximum Transmission Speed: 480Mbps (about 60M/S)
- Supported Charging Power: 5V1A 9V3A 12V5A 20V5A 48V5S
- Charging: Used To Charge Type-C Interface Devices Using Type-C Chargers.
- Highlight: **Jizhi cable usb c to c, OEM usb c to c 2.0 cable, usb c to c fast charge cable 1m 2m**

## Product Description

### Product Description:

The USB 2.0 Cable Type-C To Type-C also supports fast charging, with supported charging power ranging from 5V1A to 48V5S, making it the ideal choice for those who require rapid charging capabilities.

In addition, the Magnetic Fast Charging Data Cable USB 2.0 Cable Type-C To Type-C Data Cable has a theoretical maximum transmission speed of 480Mbps (about 60M/s), ensuring that data transfer is as fast and efficient as possible.

The Magnetic Fast Charging Data Cable USB 2.0 Cable Type-C To Type-C Data Cable is a versatile and efficient accessory that is perfect for those who require fast and reliable data transfer and charging capabilities.

### Features:

Product Name: Type-C To Type-C

Data transfer: used to transfer files between two Type-C interface devices, such as computers, mobile phones, tablets, external hard drives, etc.

Supported Charging Power: 5V1A 9V3A 12V5A 20V5A 48V5S

Theoretical Maximum Transmission Speed: 480Mbps (about 60M/S)

Premium Material: With a high-quality PVC surface, this cable is more durable, tangle-free, and long-term clean and new, no sweat, no fingerprint, and no dirty.

OEM/ODM Support: Customized

### Technical Parameters:

Attribute	Specification
Use	MP3 / MP4 Player, Video Game Player, Mobile Phone, COMPUTER, for android, Car, IOS, Tablet, Power Bank, Earphone, Other
USB Type	Type-C To Type-C
Data transfer	Used to transfer files between two Type-C interface devices, such as computers, mobile phones, tablets, external hard drives, etc.
Applicable Length	0.5M 1M 1.2M 1.5M 1.8M 2M 3M
Connector	USB 2.0 Cable Type-C To Type-C
Material	PVC / TPE / PU / TPU / Silicone / Magnetic PVC
Product Name	Magnetic Fast Charging Data Cable USB 2.0 Cable Type-C To Type-C Data Cable 1M 1.5M 2M
Theoretical Maximum Transmission Speed	480Mbps (about 60M/S)
OEM/ODM Support	Customized
Length	0.1m 0.3m 0.5m 0.8m 1 m Customized

### Applications:

Whether you're looking to charge your phone, transfer data between devices, or connect your laptop to an external monitor or display, this cable has you covered. With support for a range of different charging power levels, including 5V1A, 9V3A, 12V5A, 20V5A, and 48V5S, you can be sure that you'll get the power you need to stay connected and productive throughout the day.

And with its CE and ISO9001 certifications, you can trust that this cable meets the highest quality standards and is built to last. Plus, with its customizability options, including different lengths ranging from 0.1m to 1m and the ability for OEM/ODM support, you can easily find the perfect cable to fit your unique needs.

One of the standout features of this Type-C to Type-C cable is its video output capabilities. Some Type-C to Type-C cables support DisplayPort or HDMI protocols, which can be used to output video signals from one device to another. This makes it a great choice for anyone looking to connect their laptop or other device to an external monitor or display for work, gaming, or entertainment purposes. So whether you're a busy professional, a student on-the-go, or just someone who needs a reliable cable to stay connected, Jizhi's Type-C to Type-C USB 2.0 Cable is the perfect choice. With its high-quality construction, versatile capabilities, and customizability options, it's the ideal solution for anyone looking to stay connected and productive no matter where they are.

### Support and Services:

Our Type-C To Type-C product comes with comprehensive technical support and services to ensure that our customers have a seamless experience with our product. Our team of experts is available to provide assistance with any technical issues that may arise during installation or use of the product.

Our technical support services include:

- 24/7 technical support via phone or email
- Online resources and documentation to help troubleshoot issues
- Product warranty for a specified period of time

In addition to technical support, we also offer the following services:

- Product training and education
- Product installation and setup
- Product maintenance and repair

Our goal is to provide our customers with the highest level of support and service possible, ensuring that they are satisfied with their purchase and can continue to use our product with confidence.

**Packing and Shipping:**

**Product Packaging:**  
The Type-C to Type-C product will be packaged in a sturdy cardboard box to ensure its safety during transportation. The box will be labeled with the product name and description, and will also include the manufacturer's logo and contact information.

**Shipping:**  
The product will be shipped via standard shipping methods and will be delivered within the estimated delivery timeframe. Customers can track their shipment by using the tracking number provided by the seller. International shipping is also available, but additional fees may apply depending on the destination country.
