

OEM Black Magnetic USB 2.0 Cable Type-C To Type-C Mobile Phone Data Cable

Our Product Introduction

for more products please visit us on jizhidatacable.com

Basic Information

- Place of Origin: Dongguan, China
- Brand Name: jizhi
- Certification: CE,ROHS
- Model Number: Type-c TO Type-c
- Minimum Order Quantity: 3000
- Delivery Time: 2-5 working days
- Supply Ability: 300000 pieces of production capacity per month

Product Specification

- Connector: USB 2.0 Cable
- Use: MP3 / MP4 Player, Video Game Player, Mobile Phone, COMPUTER, For Android, Car, IOS, Tablet, Power Bank, Earphone, Other
- Function: Fast Charging
- Product Name: Magnetic Fast Charging Data Cable USB 2.0 Cable Usb Type C To Type C Data Cable 1M 1.5M 2M
- Supported Charging Power: 5V1A 9V3A 12V5A 20V5A 48V5S
- Material: PVC / TPE / PU / TPU / Silicone / Magnetic PVC
- Highlight: **magnetic usb 2.0 type-c to type-c cable, black 12V5A usb type c to c cable ,**

Product Description

Black Magnetic Mobile Phone Data Cable USB 2.0 Cable Type-C To Type-C

Product Description:

One of the standout features of this cable is its video output support. Some Type-C to Type-C cables support DisplayPort or HDMI protocols, which can be used to output video signals from one device to another. This makes it a great option for those who need to connect their devices to external displays or projectors.

The Type-C to Type-C USB 2.0 Cable is made of premium materials, with a high-quality PVC surface that makes it more durable, tangle-free, and long-lasting. This cable is easy to clean and stays new-looking, with no sweat, fingerprints, or dirt to worry about.

Aside from its video output capabilities and premium materials, this cable is also designed for fast charging. You can expect your devices to charge quickly and efficiently, saving you time and hassle.

If you're looking for a reliable and versatile Type-C to Type-C USB 2.0 Cable, look no further than our product. With its video output support, premium materials, and fast charging capabilities, it is a must-have accessory for anyone who uses compatible devices regularly.

Features:
