Basic Information

- Place of Origin: Dongguan, China
- Brand Name: jizhi
- Certification: CE,ROHS
- Model Number: Type-c TO Lightning
- Minimum Order Quantity: 3000
- Delivery Time: 2-5 working days
- Supply Ability: 300000 pieces of production capacity per month

Product Specification

- OEM/ODM Support: Customzied
- Function: Fast Charging
- Connector: USB 2.0 Cable
- Brand: Jizhi
- Interface: Micro USB
- Applicable Length: 0.5M 1M 1.2M 1.5M 1.8M 2M 3M
- Highlight: **usb 2.0 mobile phone charging cable**, **data transmission lightning to c type cable**, **usb type c to lightning cable oem**

Product Description

White Apple Mobile Phone Charging Cable USB 2.0 Cable Type-C To Lightning

Product Description:

Choose from various length options, including 0.1m, 0.3m, 0.5m, 0.8m, and 1m, or customize your own length to suit your needs.
Our USB 2.0 Cable Type-C To Lightning has been audited by various certifications such as CE, ROHS, FCC, REACH, ERP, PSE, and ISO to ensure its reliability and safety.
This product belongs to the USB 2.0 Cable category, which means it delivers theoretical maximum transmission speeds of up to 480Mbps (about 60M/S). This cable is perfect for charging and transferring data between your Apple devices and other USB Type-C enabled devices.

Features:

Product Name: Type-C To Lightning
Function: Fast Charging
Length:
0.1m
0.3m
0.5m
0.8m
1 m
Customized
Product Details:
HUB
Cables
Converters
Docking station
Phone/ laptop holders
Adapters
etc
Interface: Micro USB
Product Category: USB 2.0 Cable Type-C To Lightning

Technical Parameters:

Length	0.1m 0.3m 0.5m 0.8m 1m Customized
Maximum Supported Charging Power	9V2.4A
RD Engineers	Rich experienced RD engineers who can design popular products to meet with market tendency in the world
Product Details	HUB, Cables, converters, Docking station, phone/ laptop holders, adapters, etc
Company Advantage	Professional Product OEM/ODM services for 11 years, Strong store image design, best product solution and sales plan support, Own industrial park of 50,000 square meters and 500 employees, Manufacturing Phone cable for 11 years with strict environmental protection certification
Brand	Jizhi
Product Category	USB 2.0 Cable
USB Type	Type-C To Lightning
Function	Fast Charging

Interface	Micro USB

Applications:

With CE and ISO9001 certification, you can be sure that you are getting a product that has been manufactured to the highest standards of quality. The Type-C To Lightning cable is manufactured in Dongguan, China, a hub for high-quality electronics production.

One of the main advantages of the Type-C To Lightning USB 2.0 Cable is its flexibility. The cable is available in a range of lengths, including 0.1m, 0.3m, 0.5m, 0.8m, 1 m, and can also be customized to meet your specific needs. This makes it ideal for use in a variety of different settings, whether you need a shorter cable for use on-the-go or a longer one for use at home or in the office.

The Type-C To Lightning cable is also available in a range of different materials, including PVC, TPE, PU, TPU, Silicone, and Magnetic PVC. This means that you can choose the material that best suits your needs, whether you need a more durable material for heavy use or a more flexible material for easier portability.

This cable is a great choice for anyone who needs a reliable and high-quality charging and data transfer solution for their Type-C and Lightning-enabled devices. Whether you're a student, a professional, or just a regular user, the Type-C To Lightning USB 2.0 Cable is an excellent choice that is sure to meet your needs.

Jizhi also offers OEM/ODM support, which means that you can customize the Type-C To Lightning cable to meet your specific requirements. This is a great option for businesses or organizations that need a large quantity of cables that are tailored to their specific needs.
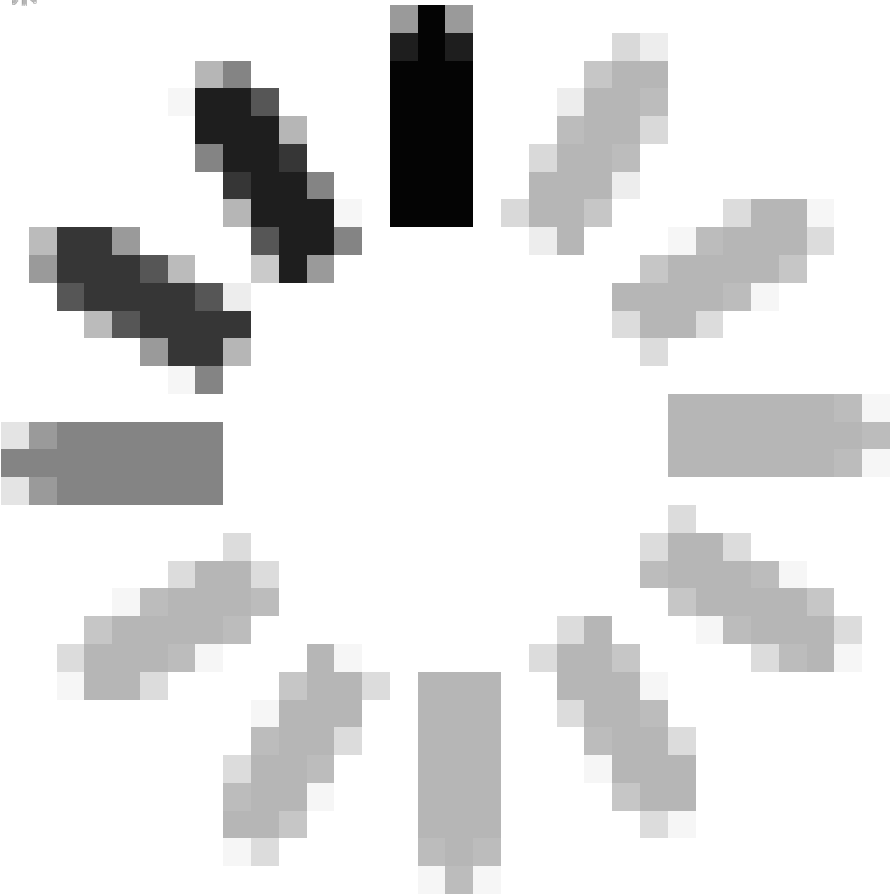

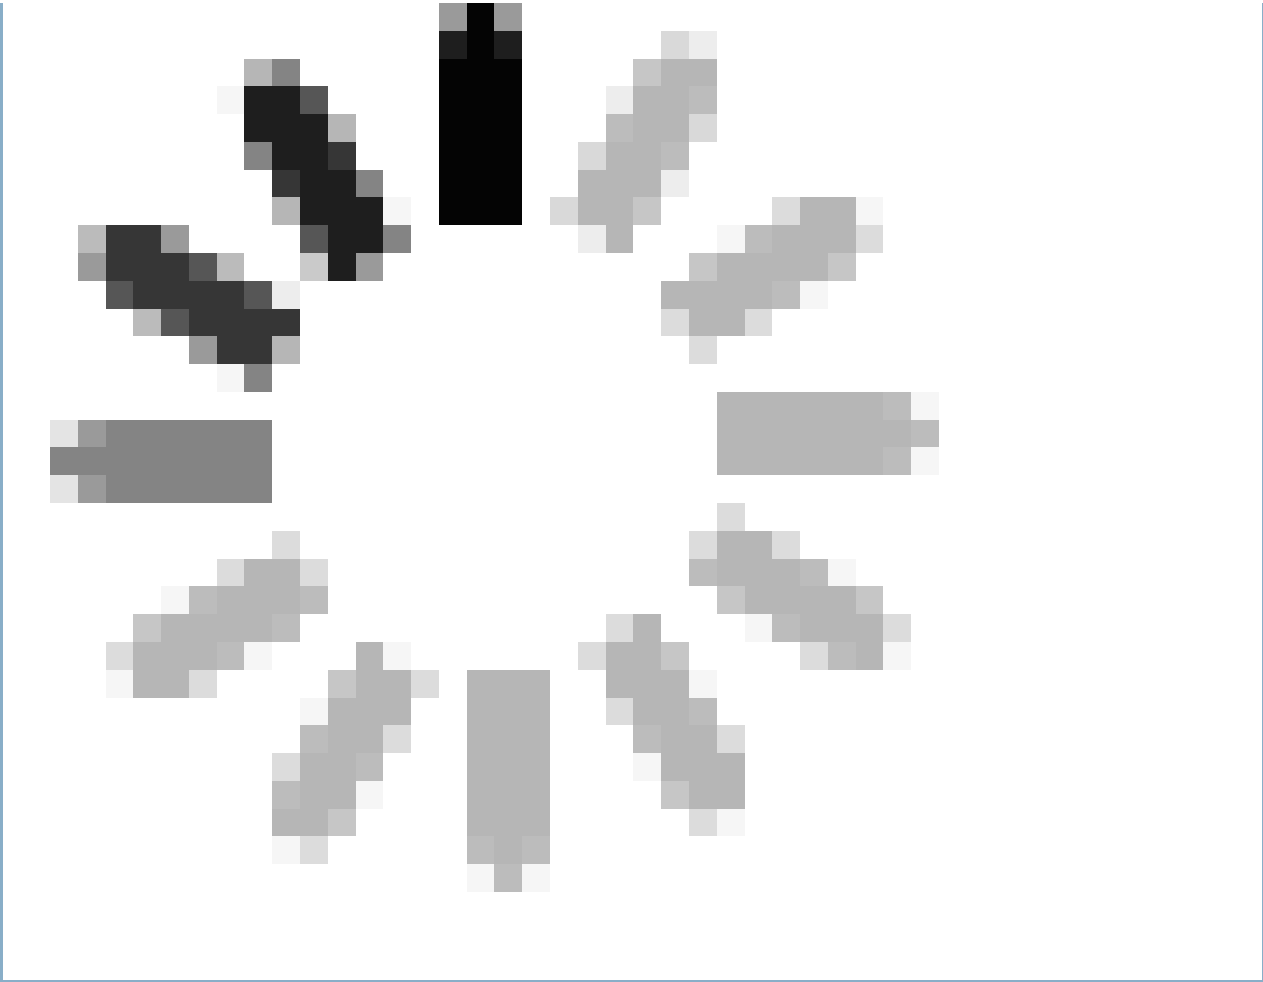

Support and Services:

The Type-C To Lightning product is designed to allow Apple devices with Lightning ports to connect to devices with USB-C ports for charging and syncing. Our technical support team is available to assist with any issues or questions related to the product's functionality or compatibility. Additionally, we offer services such as warranty claims and repairs for any defects or damages to the product. Please contact us for further assistance.

Packing and Shipping:

Product Packaging:
The Type-C to Lightning product will be carefully packaged in a sturdy box to ensure safe delivery. The box will include the Type-C to Lightning adapter along with an instruction manual.

Shipping:
The Type-C to Lightning product will be shipped via standard shipping. Delivery times may vary depending on the destination, but customers can expect their product to arrive within 5-7 business days. Shipping fees will be calculated at checkout.
