## Product Description

### Product Description:

The Type-C To HDMI product is available in three different applicable lengths, including 1 meter, 1.5 meters, and 2 meters, providing you with the flexibility to choose the length that best suits your needs. Whether you need a shorter cable for your phone or a longer cable for your computer, we've got you covered.

But that's not all - our Type-C To HDMI product also functions as a data transfer cable, allowing you to transfer files between your devices quickly and easily. This means you can do more than just stream videos or play games - you can also transfer your work files, photos, or music playlists with ease.

Overall, the Type-C To HDMI product is a versatile and reliable cable that can be used in a wide range of applications. Its HDMI 1.4 Cable Type-C To HDMI connector, high-definition video output support, and data transfer functionality make it an essential addition to your tech arsenal.
