

## 1M 1.5M 2M Hdmi 2.0 To Usb C Cable , High Resolution Video Output hdmi to type c

### Our Product Introduction

for more products please visit us on [jizhidatacable.com](http://jizhidatacable.com)

#### Basic Information

- Place of Origin: Dongguan China
- Brand Name: Jizhi
- Certification: CE / ISO9001
- Model Number: Type-c TO HDMI
- Minimum Order Quantity: 2000

#### Product Specification

- Material: PVC+nylon Braiding / Aluminum Alloy
- Interface Type: USB Type-C Interface On One End And Standard HDMI Interface On The Other End
- Type: Type-c TO HDMI
- Applicable Length: 1M 1.5M 2M
- Fast Charging: Function
- Function: Data Transfer
- Premium Material: High-quality PVC Surface, Durable, Tangle-free, And Long-term Clean And New, No Sweat, No Fingerprint, And No Dirty
- Wide Compatibility: Can Connect Various Devices That Support HDMI 2.0 And USB Type-C Interfaces, Such As Smartphones, Tablets, Laptops, TVs, Etc.
- Highlight: **high resolution hdmi 2.0 to type c wire,**

## Product Description

### Product Description:

This HDMI 2.0 Cable Type-C TO HDMI supports fast charging, making it an ideal choice for individuals who want to charge their devices quickly and efficiently. With this cable, users can enjoy fast charging while also enjoying high-quality video output.

The product is named White 60HZ 4K HDMI 2.0 Cable Type-C TO HDMI Support HDR. Its name reflects its ability to support 60HZ 4K video output, which ensures that users get to enjoy high-quality visuals. Additionally, the product supports HDR, which is a feature that enhances the color and brightness of images, making them more vivid and lifelike.

The Type-C TO HDMI product is certified by several regulatory bodies, including CE, ROHS, FCC, REACH, ERP, PSE, ISO, and BSCI. These certifications testify to the quality, safety, and environmental-friendliness of the product, making it a reliable choice for customers.

With its support for 3840\*2160 60HZ 4K video output, the Type-C TO HDMI product offers users a truly immersive viewing experience. Whether you're watching movies, playing games, or working on a project, this cable ensures that you get to enjoy high-quality visuals that are free from lags or interruptions.

Overall, the Type-C TO HDMI product is a must-have for anyone who wants to connect their Type-C devices to HDMI devices. Its fast charging capabilities, high-quality video output, and certifications make it a reliable and efficient choice that customers can trust. Whether you need a 1M, 1.5M, or 2M cable, this HDMI 2.0 Cable Type-C TO HDMI has got you covered.

### Features:

Product Name: Type-C TO HDMI

Certifications: CE,ROHS, FCC, REACH, ERP, PSE, ISO, BSCI

Manufacturer: Professional in designing, making and exporting the products of computer peripherals

Product Category: HDMI 2.0 Cable

Fast Charging: Function

Function: Data Transfer

### Technical Parameters:

Product Name	White 60HZ 4K HDMI 2.0 Cable Type-C TO HDMI Support HDR
Product Category	HDMI 2.0 Cable
Type	Type-C TO HDMI
Interface Type	USB Type-C to HDMI
Manufacturer	Professional in designing, making and exporting the products of computer peripherals
Wide Compatibility	Can connect various devices that support HDMI 2.0 and USB Type-C interfaces, such as smartphones, tablets, laptops, TVs, etc.
High-bandwidth Support	The maximum transmission bandwidth is 18Gbps, which is sufficient to meet the transmission requirements of high-definition videos such as 4K@60Hz and 60fps 3D
High-definition Transmission Performance	Supports video resolution up to 4K@60Hz and HDR, capable of transmitting high-quality video and audio
Video Output Support	3840x2160 60HZ 4K
Fast Charging	Supported

### Applications:

The Type-c TO HDMI product supports video output at 3840\*2160 60HZ 4K, making it an excellent choice for high-definition video and audio applications. The product is available in three different lengths: 1M, 1.5M, and 2M, which means customers can choose the length that best suits their needs.

Jizhi is a professional manufacturer that specializes in designing, making, and exporting computer peripherals. With the Type-c TO HDMI product, customers can be assured that they are receiving a high-quality product that has been designed and manufactured with the utmost care and attention to detail.

The Type-c TO HDMI product is ideal for a variety of occasions and scenarios. For example, it can be used in a business setting to connect a computer to a projector or HDTV for presentations. It can also be used in a home entertainment system to connect a computer or other multimedia device to an HDTV for streaming video or gaming.

The Type-c TO HDMI product is also an excellent choice for individuals who want to connect their mobile devices to an HDTV or other display. With the Type-c TO HDMI product, customers can easily connect their smartphones or tablets to an HDTV to watch movies, view photos, or play games on a larger screen.

In conclusion, the Jizhi Type-c TO HDMI product is a high-quality HDMI 2.0 Cable that offers exceptional performance and a range of applications. It is an excellent choice for anyone looking to connect their computer, HDTV, multimedia device, or telephone system to another display device. With its high-quality construction, flexible length options, and versatile applications, the Type-c TO HDMI product is an excellent investment for anyone looking to enhance their multimedia experience.

## Support and Services:

Our Type-C TO HDMI product provides high-quality video and audio output from your USB-C-enabled device to an HDMI-enabled device, such as a TV, monitor, or projector. It supports resolutions up to 4K and is compatible with Thunderbolt 3 ports. Our technical support team is available to assist with any issues you may encounter with the product, including installation and troubleshooting. Additionally, we offer a warranty on our product and a range of services, including repair and replacement options.
