- Connector: HDMI 2.0 Cable

Product Description

Product Description:

Our HDMI to HDMI product supports a wide range of video output resolutions, including 3840*2160 60HZ 4K. This means that you can enjoy ultra-high-definition video quality with ease, and with a high-end video format such as HDR and Dolby Vision, you can experience stunning visual effects that will take your breath away.

In addition to its impressive video output capabilities, our HDMI to HDMI product is also compatible with various 3D video formats, such as 1080p@24Hz 3D and 720p@50/60Hz 3D. This means that you can enjoy your favorite movies and TV shows in stunning 3D quality, right in the comfort of your own home.

One of the standout features of our HDMI to HDMI product is its ability to support ultra-high-definition video resolutions up to 4K@60Hz. This makes it perfect for use with high-end displays and televisions, and ensures that you will always enjoy the best possible picture quality.

Our HDMI to HDMI product is also incredibly easy to use. Simply connect one end of the cable to your source device, such as a Blu-ray player or gaming console, and the other end to your display or television. The cable is fully compatible with HDMI 2.0 ports, so you can be sure that it will work seamlessly with all of your devices.

In summary, our HDMI to HDMI product is a high-quality HDMI 2.0 cable that supports high bandwidth transmission, making it perfect for HD video and high-quality audio applications. With its impressive video output capabilities, support for various 3D video formats, and ultra-high-definition video resolutions up to 4K@60Hz, this cable is the perfect choice for anyone looking to enjoy the best possible picture and sound quality. Order your HDMI to HDMI product today and experience the difference for yourself!

Features:

Product Name: HDMI TO HDMI

Application: COMPUTER / HDTV / Multimedia / Telephone

Function: Fast Charging

Connector: HDMI 2.0 Cable

Product Category: HDMI 2.0 Cable HDMI TO HDMI

HD Video Transmission Capability: Supports ultra-high-definition video resolutions up to 4K@60Hz, as well as high-end video formats such as HDR and Dolby Vision

Technical Parameters:

Product Name	OEM HDMI 60HZ 4K 2.0 Cable HDMI TO HDMI High Bandwidth And Low Latency
Type	HDMI TO HDMI
