Data Transmission Usb Type C To Ethernet Adapter , converter type c to rj45

Basic Information

- Place of Origin: Dongguan China
- Brand Name: JIZHI
- Certification: CE / ISO9001
- Model Number: Converter - Type-C To RJ45

Product Specification

- Type: Type-C To RJ45 Converter
- Brand: JIZHI
- Keyword: Converter
- Logo: OEM
- Network Standards: 2500/1000/100/10Mbps
- Color: Customize
- Highlight: **custom logo rj45 to type c converter** ,
  usb type c to ethernet adapter oem ,
  data transmission rj45 to usb c converter

Product Description

Customize Type-C To RJ45 Converter Multiple Options To Choose From Customized Logo

Type-C to RJ45 Converter, as the name implies, is a converter that converts Type-C interface to RJ45 interface, which can connect devices that support Type-C interface to wired network. It usually has the following features:

1. Interface type:
Type-C interface: used to connect devices that support Type-C interface, such as laptops, mobile phones, tablets, etc.
RJ45 interface: used to connect network cables, which can be connected to network devices such as routers and switches.
2. Data transmission speed:
Gigabit network speed: Most Type-C to RJ45 Converters support Gigabit network speed and can provide high-speed network connection.
10G network speed: Some high-end models of Type-C to RJ45 Converters support 10G network speed, which can meet higher bandwidth requirements.
