

Gold Plated High Speed Usb Extension Cable PVC For Fast Stable Data Transmission

Our Product Introduction

for more products please visit us on jizhidatacable.com

Basic Information

- Place of Origin: Dongguan, China
- Brand Name: Custom
- Certification: CE,ROHS
- Price: 3000
- Delivery Time: 2-5 working days

Product Specification

- Shielding: Foil And Braid
- Compatibility: USB 2.0 Devices
- Jacket Material: PVC
- Warranty: 1 Year
- Transfer Speed: 480 Mbps
- Conductor Material: Copper
- Connector Plating: Gold-plated
- Material: PVC
- Highlight: **High Speed USB Extension Cable,
Fast Stable USB Extension Cable,
Gold-plated USB Extension Cable**

Product Description

Product Description:

Measuring 3 feet in length, this USB cable offers the flexibility and convenience you need to connect your devices without any restrictions. Whether you need to connect your printer, scanner, or external hard drive, this cable provides ample length for easy and hassle-free connectivity. Say goodbye to short, limiting cables and enjoy the freedom to set up your devices exactly where you want them.

Equipped with gold-plated connectors, this USB cable guarantees a stable and durable connection. The gold plating not only ensures a secure fit but also enhances the cable's durability, making it a long-lasting solution for your connectivity needs. You can rely on this cable to maintain a strong and stable connection for consistent data transfer.

Compatible with USB 2.0 devices, this cable is ideal for connecting a wide range of peripherals such as printers, cameras, and external storage devices. Whether you are transferring files to your 3.0 USB Flash Drive or connecting your smartphone for data synchronization, this cable offers universal compatibility to meet your diverse connectivity requirements.

Constructed with high-quality copper conductors, this USB cable delivers reliable performance and efficient data transmission. The copper material ensures optimal conductivity, minimizing signal loss and interference to maintain high data transfer speeds. You can trust this cable to provide consistent and reliable connectivity for all your devices.

When you need a High-Speed USB Extension Cable that offers both performance and durability, our USB 2.0 Cable is the perfect choice. Whether you are transferring large files, streaming multimedia content, or syncing your devices, this cable provides the speed and reliability you need for seamless data communication.

Features:

Product Name: USB 2.0 Cable

Transfer Speed: 480 Mbps

Warranty: 1 Year

Jacket Material: PVC

Material: PVC

Compatibility: USB 2.0 Devices

Technical Parameters:

Compatibility	USB 2.0 Devices
Connector Type	USB A To USB B
Shielding	Foil And Braid
Jacket Material	PVC
Color	Black
Warranty	1 Year
Transfer Speed	480 Mbps
Type	Data Cable
Conductor Material	Copper
Connector Plating	Gold-plated

Applications:

The USB 2.0 Cable by Custom is a versatile and high-quality product suitable for various application occasions and scenarios. Made in Dongguan, China, this cable is certified with CE and ROHS, ensuring its reliability and safety. The cable is designed with a USB A to USB B connector type, making it compatible with a wide range of devices.

One of the primary application scenarios for this cable is for connecting devices such as printers, scanners, and external hard drives to computers. The copper conductor material ensures efficient data transmission, making it ideal for use in professional settings where reliable connections are essential.

Another common use case for the USB 2.0 Cable is for charging and syncing mobile devices. While it is not compatible with Apple Lightning to USB Cable, it can be used with various Android smartphones, tablets, and other devices that use a USB connection.

The black color and PVC material give the cable a sleek and professional look, suitable for both home and office environments. The foil and braid shielding provide protection against interference, ensuring stable and secure data transfer.

Priced at \$3000, this USB cable offers great value for its quality and performance. With a fast delivery time of 2-5 working days, customers can rely on Custom to provide timely and efficient service. Whether for Apple Lightning to USB Cable connections, computer connection cables, or other devices, the USB 2.0 Cable is a reliable choice for various application needs.
