- Highlight: **Copper Conductor USB 2.0 Cable, 3 Feet USB 2.0 Cable, Data Transfer usb2 0 cable**

PRODUCT PARAMETERS

Product name: Type-c interface multi-function docking station	USB-c interface: data transfer
Material: aluminum alloy	USB interface: USB3.0+USB2.0
PD interface: support power supply	HDMI resolution: 4K@30Hz

Product Description

Product Description:

The USB 2.0 Cable is a versatile and essential accessory for connecting your USB 2.0 devices. This high-quality cable is designed to provide fast charging and data transfer capabilities, making it an ideal choice for users seeking a reliable and efficient solution.

Constructed from durable PVC material, this USB 2.0 Cable is built to last. The sturdy construction ensures that the cable can withstand daily use without compromising performance, making it a long-lasting investment for your electronic devices.

With a length of 3 feet, this cable offers the perfect balance between flexibility and convenience. Whether you need to connect devices that are close together or further apart, the 3-foot length of this cable provides ample reach without excess slack, allowing for a tidy and organized setup.

The USB 2.0 Cable comes in a sleek black color that complements a wide range of devices and accessories. The black color adds a touch of sophistication to your setup while seamlessly blending in with your existing tech gear, making it a stylish and practical choice for everyday use.

Backed by a 1-year warranty, this USB 2.0 Cable offers peace of mind and assurance of quality. The warranty ensures that you can trust in the durability and reliability of this cable, providing you with added protection and support in case of any unexpected issues.

Whether you need a fast charger cable, a fast data transfer cable, or a fast charging data cable, the USB 2.0 Cable has you covered. Its compatibility with USB 2.0 devices makes it a versatile and essential accessory for a wide range of electronics, ensuring seamless connectivity and efficient performance.

Upgrade your charging and data transfer experience with the USB 2.0 Cable. Order yours today and enjoy the convenience and reliability of this high-quality accessory.

Features:

Product Name: USB 2.0 Cable

Material: PVC

Applications:

Custom USB 2.0 Cable is a versatile accessory that can be used in a variety of settings, making it a must-have for individuals and businesses alike. With its high-quality construction and reliable performance, this cable is ideal for a range of product application occasions and scenarios.

Whether you need to connect your printer, scanner, or other peripheral devices, the Custom USB 2.0 Cable is the perfect solution. Its USB A to USB B connector type ensures a secure and stable connection, making it suitable for both personal and professional use. The gold-plated connector plating not only enhances durability but also improves signal transmission for fast data transfer.

Designed and manufactured in Dongguan, China, this cable meets CE and ROHS certification standards, guaranteeing safety and quality. The conductor material, copper, and shielding with foil and braid provide excellent conductivity and protection against interference, resulting in a reliable and efficient performance.

The PVC jacket material of the Custom USB 2.0 Cable adds to its durability and flexibility, making it suitable for various environments and conditions. Whether you are at home, in the office, or on the go, this cable is built to withstand daily use and transport.

Priced at 3000, this braided USB cable offers excellent value for money, especially considering its BS Standard Cable quality and fast data transfer capabilities. With a delivery time of 2-5 working days, you can quickly receive your order and start using this reliable and high-performance cable in your daily tasks.
