#### Basic Information

- Place of Origin: Dongguan, China
- Brand Name: Custom
- Certification: CE,ROHS
- Price: 3000
- Delivery Time: 2-5 working days

#### Product Specification

- Color: Black
- Warranty: 1 Year
- Type: Data Cable
- Length: 3 Feet
- Shielding: Foil And Braid
- Material: PVC
- Conductor Material: Copper
- Compatibility: USB 2.0 Devices
- Highlight: **Fast Charging USB 2.0 Cable,  
3 Feet USB 2.0 Cable,  
Fast Data Transfer usb 2 cable**

## Product Description

### Product Description:

With its gold-plated connector plating, this USB cable offers enhanced durability and corrosion resistance, ensuring a long-lasting and reliable connection. The PVC jacket material provides added protection and flexibility, making it perfect for everyday use.

Compatible with USB 2.0 devices, this cable is ideal for transferring data between your cell phone, tablet, or other devices. Whether you need to sync files, charge your device, or connect peripherals, this cable is up to the task.

The PVC material of this cable ensures durability and flexibility, so you can easily use it in various settings without worrying about wear and tear. The copper conductor material ensures fast data transfer speeds and reliable charging, making it a reliable choice for all your data communication needs.

Whether you need a fast data transfer cable for work, school, or personal use, this Cell Phone USB Cable is the perfect solution. Stay connected and organized with this high-quality cable that offers reliable performance and durability.

Upgrade your data communication setup with this premium USB cable that is designed to meet your needs for fast and reliable data transfer. With its gold-plated connectors, PVC jacket material, and copper conductor material, this cable provides a secure and stable connection for all your USB 2.0 devices.

Don't settle for slow data transfer speeds or unreliable connections. Invest in this high-quality USB cable that is built to last and designed to deliver fast and efficient data transfer. Whether you're transferring files, charging your device, or connecting peripherals, this cable is the perfect choice for all your data communication needs.

Experience the convenience and reliability of this Cell Phone USB Cable for yourself. Upgrade your setup with a cable that offers fast data transfer speeds, durable construction, and compatibility with USB 2.0 devices. Stay connected and organized with this versatile and reliable cable that is perfect for all your data communication needs.

### Features:

Product Name: USB 2.0 Cable

Transfer Speed: 480 Mbps

Connector Type: USB A To USB B

Compatibility: USB 2.0 Devices

Connector Plating: Gold-plated

Color: Black

### Technical Parameters:

Type	Data Cable
Length	3 Feet
Transfer Speed	480 Mbps
Connector Plating	Gold-plated
Jacket Material	PVC
Connector Type	USB A To USB B
Color	Black
Shielding	Foil And Braid
Compatibility	USB 2.0 Devices
Conductor Material	Copper

### Applications:

Custom USB 2.0 Cable is a versatile product that is suitable for a wide range of application occasions and scenarios. As a Fast Data Transfer Cable, this USB cable is perfect for transferring large files quickly and efficiently between devices. Whether you are a student needing to transfer assignments, a professional backing up important data, or a gamer syncing gaming peripherals, this cable provides fast and reliable data transfer.

Moreover, this Fast Charger Cable is ideal for charging your USB 2.0 Devices rapidly. Whether you need to charge your smartphone, tablet, camera, or other electronic devices, this cable ensures a quick and efficient charging process. The gold-plated connectors guarantee a stable and fast charging experience.

Designed as a Braided USB Cable, this product is durable and long-lasting, making it suitable for various scenarios. The braided design enhances the cable's strength and prevents tangling, ensuring a hassle-free user experience. Whether you are using the cable at home, in the office, or on the go, its durability and tangle-free design make it a reliable choice.

Custom USB 2.0 Cable is certified with CE and ROHS, assuring customers of its quality and safety standards. Manufactured in Dongguan, China, this cable is crafted with high-quality materials, including gold-plated connectors and copper conductor material, ensuring optimal performance and durability.

Priced at \$3000 with a delivery time of 2-5 working days, this Data Cable is not only efficient but also cost-effective. Additionally, it comes with a 1-year warranty, providing customers with peace of mind regarding their purchase.
