#### Basic Information

- Place of Origin: Dongguan, China
- Brand Name: Custom
- Certification: CE,ROHS
- Price: 3000
- Delivery Time: 2-5 working days

#### ALUMINIUM ALLOY CASING GOOD HEAT DISSIPATION

Aluminum alloy shell, anodized sand blasting process  
Good heat dissipation, wear resistance, anti fingerprint, durable

#### Product Specification

- Jacket Material: PVC
- Material: PVC
- Connector Plating: Gold-plated
- Length: 3 Feet
- Shielding: Foil And Braid
- Compatibility: USB 2.0 Devices
- Warranty: 1 Year
- Transfer Speed: 480 Mbps
- Highlight: **Charging USB 2.0 Cable,**  
**Data Transfer USB 2.0 Cable, Easy usb 2 cable**

TYPE-C 3-IN-1 EXPANSION

4K HD USB3.0 PD100W

## Product Description

### Product Description:

The USB 2.0 Cable we offer is a versatile and reliable accessory for your electronic devices. With its durable PVC jacket material, this cable ensures longevity and protection for the internal components, making it a suitable choice for everyday use.

The sleek black color of this cable adds a touch of sophistication to your setup while seamlessly blending in with various devices and accessories. Whether you prefer a minimalistic look or want your cables to stand out, the black color of this USB 2.0 Cable caters to both preferences.

Designed for USB 2.0 devices, this cable guarantees high-speed data transfer and efficient charging capabilities. Whether you need to connect your smartphone, tablet, printer, or other compatible devices, this USB 2.0 Cable offers universal compatibility, making it a versatile addition to your collection of cables.

The USB A to USB B connector type of this cable ensures a secure and stable connection between your devices, minimizing the risk of disconnections or interruptions during data transfer or charging processes. This connector type is commonly used in various electronic devices, ensuring that this cable is a practical and convenient solution for your connectivity needs.

Measuring 3 feet in length, this USB 2.0 Cable provides ample reach for connecting devices that are within a reasonable distance from each other. Whether you need to connect devices on your desk, nightstand, or entertainment center, this cable offers flexibility and convenience in managing your setup without restricting your mobility or device placement.

With its braided design, this USB 2.0 Cable stands out from traditional cables, offering a stylish and durable alternative for your data communication needs. The braided construction enhances the cable's strength and flexibility, reducing the risk of tangling or damage, and ensuring a reliable connection between your devices.

Whether you're transferring files, syncing data, or charging your devices, this USB 2.0 Cable serves as a multifunctional accessory that meets your various connectivity requirements. Its 2 in 1 USB charging cable functionality allows you to streamline your cable collection and simplify your setup, making it a practical and efficient solution for your daily tech needs.

### Features:

Product Name: USB 2.0 Cable

Shielding: Foil And Braid

Connector Type: USB A To USB B

Warranty: 1 Year

Color: Black

Length: 3 Feet

### Technical Parameters:

Type	Data Cable
Material	PVC
Length	3 Feet
Compatibility	USB 2.0 Devices
Warranty	1 Year
Shielding	Foil And Braid
Connector Plating	Gold-plated
Transfer Speed	480 Mbps
Color	Black
Jacket Material	PVC

### Applications:

Custom USB 2.0 Cable is a versatile accessory that finds its application in various scenarios due to its high-quality features and reliable performance. This product, originating from Dongguan, China, is certified with CE and ROHS standards, ensuring safety and quality assurance for users.

Designed for compatibility with USB 2.0 devices, this cable is perfect for a wide range of product application occasions. Whether you need to sync your iPhone using the USB Sync Cable function, charge multiple devices simultaneously with the 2 In 1 USB Charging Cable feature, or transfer data at high speed with the Fast USB Data Cable capability, this product has you covered.

The PVC jacket material of the Custom USB 2.0 Cable not only provides durability but also enhances its flexibility, making it suitable for various scenarios such as home, office, or travel use. The material quality ensures long-term reliability, offering a transfer speed of 480 Mbps for swift data exchange.

Priced at 3000, this USB cable comes with a one-year warranty, giving customers peace of mind regarding its performance and longevity. Additionally, with a quick delivery time of 2-5 working days, users can enjoy the benefits of this high-quality cable promptly after placing their order.
