Product Description

Product Description:

The USB 2.0 Cable is a versatile and essential 2 In 1 USB Charging Cable that combines efficient charging capabilities with high-speed data transfer functions. This cable is designed with a gold-plated connector for enhanced durability and a sleek appearance. The sophisticated black color adds a touch of elegance to the cable, making it suitable for various settings.

Made from high-quality PVC material, this USB cable ensures reliable performance and longevity. The robust construction of the cable makes it resistant to wear and tear, providing a long-lasting solution for your charging and data transfer needs. Whether you are charging your devices or transferring data, this cable is designed to meet your requirements efficiently.

With a transfer speed of 480 Mbps, this Fast Data Transfer Cable allows you to quickly sync your devices and transfer files with ease. Whether you are transferring documents, photos, videos, or other data, this cable ensures a seamless and rapid data transfer process. Say goodbye to slow transfer speeds and enjoy the efficiency of high-speed data communication with this USB 2.0 Cable.

In addition to its exceptional performance, this cable comes with a 1-year warranty, providing you with peace of mind and assurance of quality. The warranty ensures that you can use the cable with confidence, knowing that it is backed by reliable support and protection. Experience the convenience and reliability of this USB cable with the added benefit of a warranty for your satisfaction.

Features:

Product Name: USB 2.0 Cable

Connector Plating: Gold-plated

Connector Type: USB A To USB B

Transfer Speed: 480 Mbps
