USB port: USB3.0

HDMI resolution: 4K*2K

Product Specification

- Jacket Material: PVC
- Length: 3 Feet
- Type: Data Cable
- Connector Type: USB A To USB B
- Connector Plating: Gold-plated
- Material: PVC
- Color: Black
- Compatibility: USB 2.0 Devices

Product Description

Product Description:

Welcome to our product summary for the Custom Made USB Cables - USB 2.0 Cable. This high-quality cable is designed for efficient data transfer and is an essential accessory for connecting various devices.

The USB 2.0 Cable features a USB A to USB B connector type, ensuring compatibility with a wide range of devices. Whether you need to connect your printer, scanner, or other peripherals, this cable is a reliable choice.

Its sleek black color adds a touch of sophistication to your setup while maintaining a professional look. The black color also helps in distinguishing the cable from other wires, making it easy to identify in a cluttered workspace.

Constructed with durability in mind, this USB 2.0 Cable comes with a 1-year warranty, providing you with peace of mind and assurance of its quality. The warranty ensures that you can rely on this cable for a long time without worrying about defects or malfunctions.

The jacket material of the cable is made of PVC, known for its flexibility and resistance to wear and tear. This PVC jacket protects the internal components of the cable, ensuring longevity and reliable performance even with frequent use.

Inside the cable, you'll find high-quality copper conductors that facilitate efficient data transfer. Copper is an excellent conductor of electricity, enabling smooth transmission of data between your devices. This ensures that your files are transferred quickly and without loss of quality.

Designed to meet BS standard cable specifications, this USB 2.0 Cable guarantees safety and performance. The BS standard ensures that the cable has undergone rigorous testing to meet quality and safety requirements, providing you with a reliable and secure connection for your devices.

Whether you're connecting your printer for a document transfer or syncing your scanner for image scanning, this USB 2.0 Cable is the perfect companion for all your data transfer needs. Its high-quality construction and reliable performance make it a must-have accessory for your home or office setup.

Upgrade your connectivity experience with the Custom Made USB Cables - USB 2.0 Cable and enjoy seamless data transfer, enhanced productivity, and peace of mind with its durable design and top-notch performance.

Features:

Product Name: USB 2.0 Cable

Warranty: 1 Year

Connector Type: USB A To USB B

Shielding: Foil And Braid

Material: PVC

Transfer Speed: 480 Mbps

Applications:

Custom USB 2.0 Cable is a versatile accessory that can be used in a variety of product application occasions and scenarios. This high-quality data cable, originating from Dongguan, China, is designed to meet the needs of modern technology users. With CE and ROHS certifications, users can trust in its safety and reliability.

One of the primary product application occasions for the Custom USB 2.0 Cable is as a Cell Phone USB Cable. Whether you are at home, in the office, or on the go, this cable ensures fast charging for your smartphone, keeping you connected and powered up throughout the day. Its black color adds a sleek and professional touch to your setup.

Moreover, this Fast Charging USB Cable is ideal for individuals who are constantly on the move and need a quick power boost for their devices. The copper conductor material used in this cable allows for efficient power delivery, ensuring that your devices charge up swiftly and reliably.

Additionally, the Custom USB 2.0 Cable serves as a Fast USB Data Cable, enabling seamless data transfer between your devices. The foil and braid shielding of the cable provide protection against interference and signal degradation, resulting in smooth and stable data transmission.

Priced at \$3000, this USB cable comes with a 1-year warranty, giving users peace of mind regarding its durability and performance. With a delivery time of 2-5 working days, customers can expect to receive their product promptly and start enjoying its benefits right away.
