

## USB 2.0 Devices High Speed Usb Extension Cable for High Speed Data Cable and Compatibility

### Our Product Introduction

for more products please visit us on [jizhidatacable.com](http://jizhidatacable.com)

#### Basic Information

- Place of Origin: Dongguan, China
- Brand Name: Custom
- Certification: CE,ROHS
- Price: 3000
- Delivery Time: 2-5 working days

#### USB3.0 interface FAST TRANSFER OF LARGE FILES

Usb 3.0 interface, fast file upload, can be connected to external U disk, mobile hard disk A card reader, keypad, mouse, etc

#### Product Specification

- Type: Data Cable
- Connector Plating: Gold-plated
- Shielding: Foil And Braid
- Compatibility: USB 2.0 Devices
- Warranty: 1 Year
- Color: Black
- Conductor Material: Copper
- Length: 3 Feet

## Product Description

### Product Description:

The USB 2.0 Cable is a versatile and essential accessory that combines functionality and convenience. This 2 In 1 USB Charging Cable serves multiple purposes, making it a must-have for anyone in need of reliable computer connection cables. With a transfer speed of 480 Mbps, this cable ensures fast data transfer, allowing you to sync and transfer files quickly and efficiently.

The jacket material of this USB cable is made of durable PVC, providing both flexibility and protection for the internal wires. This sturdy construction ensures that the cable is long-lasting and can withstand daily use without wear and tear. The PVC material also enhances the aesthetics of the cable, giving it a sleek and professional look.

Designed as a data cable, this USB 2.0 Cable is perfect for connecting various devices to your computer for data transfer and synchronization. Whether you need to connect your smartphone, tablet, digital camera, or other gadgets to your computer, this cable offers seamless connectivity and reliable performance.

Constructed with high-quality PVC material, this USB cable is not only durable but also resistant to tangling and kinking. The flexibility of the cable allows for easy storage and portability, making it ideal for travel and on-the-go use. The PVC material is also easy to clean, ensuring that the cable remains in pristine condition even after extended use.

Equipped with gold-plated connectors, this USB 2.0 Cable offers superior conductivity and corrosion resistance. The gold plating ensures a stable and reliable connection between your devices and your computer, minimizing signal loss and interference. The connectors are designed to fit securely into the USB ports, providing a stable and efficient data transfer experience.

Whether you need to charge your devices or transfer data between devices and your computer, this USB cable offers the versatility and performance you need. Its 2 In 1 design allows you to use it for both charging and data transfer, eliminating the need for multiple cables and adapters. This convenient feature makes it an essential accessory for anyone who values efficiency and simplicity.

In conclusion, the USB 2.0 Cable is a reliable and versatile accessory that offers fast data transfer speeds, durable construction, and convenient connectivity options. Whether you're transferring files, syncing devices, or charging your gadgets, this cable provides the performance and reliability you need. Upgrade your computer connection cables with this high-quality USB cable and experience seamless connectivity and efficient data transfer.

### Features:

Product Name: USB 2.0 Cable

Warranty: 1 Year

Material: PVC

Connector Type: USB A To USB B

Transfer Speed: 480 Mbps

Connector Plating: Gold-plated

### Applications:

Custom USB 2.0 Cable is a versatile accessory that is suitable for various Product Application Occasions and Scenarios. This Fast Charging Data Cable is perfect for both personal and professional use due to its high-quality features and specifications.

With its Brand Name of Custom and Place of Origin in Dongguan, China, this USB cable is known for its reliability and durability. It is CE and ROHS certified, ensuring a safe and efficient charging experience for users. The cable boasts a Transfer Speed of 480 Mbps, making it ideal for transferring large files quickly.

Whether you need to charge your devices at home, in the office, or on the go, this Custom USB Cable is the perfect solution. Its USB A to USB B Connector Type makes it compatible with a wide range of devices, while its 3 Feet Length provides flexibility and convenience.
