Product Description

Product Description:

Introducing our high-quality USB 2.0 Cable, a must-have accessory for seamless data transfer and connectivity. This versatile cable is perfect for a wide range of applications, making it an essential component for your tech arsenal.

With a length of 3 feet, this USB cable offers the perfect balance of flexibility and convenience. Whether you need to connect your devices over a short distance or require a bit of extra reach, this cable has you covered. Its compact size makes it ideal for use in various settings, from home offices to professional workspaces.

The connector plating of this USB cable is gold-plated, ensuring reliable and high-speed data transmission. Gold plating not only enhances the cable's durability but also provides a stable connection, reducing the risk of signal loss and interference. Say goodbye to unreliable connections and enjoy a smooth data transfer experience with this gold-plated USB cable.

Made from durable PVC material, this USB 2.0 cable is built to last. PVC is known for its resistance to wear and tear, making it an excellent choice for everyday use. Whether you're connecting your devices for work or leisure, you can trust that this cable will withstand the demands of regular use.

When it comes to color, this USB cable comes in a sleek black shade. The classic black color not only adds a touch of sophistication to your setup but also ensures that the cable blends seamlessly with your other tech accessories. Whether you prefer a minimalist look or a more vibrant style, this black USB cable is a versatile choice.

At the core of this USB cable is its conductor material, which is copper. Copper is known for its excellent conductivity, making it the perfect choice for transmitting data efficiently. With copper as the conductor material, you can count on this cable to deliver fast USB data transfer speeds, allowing you to sync and transfer files with ease.

Experience the convenience and reliability of our USB 2.0 Cable for all your computer connection needs. Whether you're transferring files, connecting peripherals, or charging your devices, this cable is designed to deliver optimal performance. Say goodbye to slow data transfer speeds and unreliable connections – with this USB cable, you can enjoy seamless connectivity and efficient data transfer.

Upgrade your setup with this high-quality USB cable and enjoy the benefits of fast and reliable data transfer. Whether you're a professional working on important projects or a tech enthusiast looking to enhance your setup, this USB cable is the perfect companion for all your computer connection needs. Trust in the quality and performance of our USB 2.0 Cable and take your connectivity to the next level.

Features:

Product Name: USB 2.0 Cable

Jacket Material: PVC

Connector Type: USB A To USB B

Warranty: 1 Year

Color: Black
