Product Description

Product Description:

Are you in need of reliable Computer Connection Cables for your devices? Look no further than our high-quality USB 2.0 Cable! This Fast Charging USB Cable is designed to provide you with a seamless connection experience, ensuring quick and efficient charging for your devices. With a transfer speed of 480 Mbps, this Fast Data Transfer Cable is perfect for transferring files and data with ease.

The PVC Jacket Material of this USB cable ensures durability and longevity, making it a reliable choice for your everyday charging and data transfer needs. Additionally, the Gold-plated Connector Plating enhances the cable's conductivity and reduces signal loss, resulting in a more stable connection between your devices.

When it comes to shielding, this USB 2.0 Cable features a combination of Foil And Braid shielding, providing protection against electromagnetic interference and ensuring a secure and stable connection. You can trust this cable to deliver consistent performance without any signal disruptions.

With a 1 Year Warranty, you can have peace of mind knowing that your investment is protected. Our USB cable is built to last and is backed by our commitment to quality and customer satisfaction. Experience the convenience and reliability of our USB 2.0 Cable for all your charging and data transfer needs.

Features:

Product Name: USB 2.0 Cable

Warranty: 1 Year

Length: 3 Feet

Type: Data Cable

Shielding: Foil And Braid

Material: PVC

Applications:

Custom USB 2.0 Cable is a versatile and reliable accessory that caters to a wide range of product application occasions and scenarios. Made in Dongguan, China, this cable is designed to meet the highest standards of quality and performance.

With CE and ROHS certifications, customers can trust the safety and reliability of this cable for various uses. Whether it's connecting a 3.0 USB Flash Drive to a computer, transferring data using a USB 2.0 Cable, or charging devices with an Apple Lightning To USB Cable, this product is up to the task.

At a competitive price of 3000, this USB cable offers exceptional value for money. The delivery time of 2-5 working days ensures that customers receive their orders promptly, making it ideal for urgent requirements.

The 3 feet length of the cable provides flexibility and convenience, allowing users to connect devices without being restricted by distance. The PVC material, along with foil and braid shielding, guarantees durability and longevity, making it suitable for both personal and professional use.

Constructed with high-quality copper conductor material and PVC jacket material, this USB cable ensures stable and efficient data transfer, making it a reliable choice for various electronic devices and applications. Whether you need to charge your devices, transfer data, or connect peripherals, the Custom USB 2.0 Cable is the perfect solution for all your connectivity needs.
