Product Description

Product Description:

The USB 2.0 Cable is a high-quality product designed to provide efficient and reliable connectivity for your devices. With a transfer speed of 480 Mbps, this cable ensures fast data transfer, making it ideal for various applications.

Featuring a sleek and professional black color, the USB 2.0 Cable is not only functional but also visually appealing. Whether you need to charge your device or transfer data, this cable's color adds a touch of sophistication to your setup.

Measuring 3 feet in length, this cable offers flexibility and convenience in connecting your devices. Whether you're using it at home, in the office, or on the go, the 3-foot length provides ample reach without unnecessary tangling or clutter.

The USB 2.0 Cable is constructed with high-quality copper conductors, ensuring a stable and efficient connection between your devices. The use of copper as the conductor material enhances the cable's durability and conductivity, making it a reliable choice for your connectivity needs.

For added peace of mind, the USB 2.0 Cable comes with a 1-year warranty. This warranty ensures that you can use the cable with confidence, knowing that it is backed by a guarantee of quality and reliability. In the rare event of any issues, the warranty provides you with the necessary support and protection.

Whether you need a reliable Apple Lightning To USB Cable, a fast USB data cable, or a cable that adheres to BS standard, the USB 2.0 Cable is the perfect choice. Its high transfer speed, black color, 3-foot length, copper conductor material, and 1-year warranty make it a versatile and dependable option for all your connectivity needs.

Features:

Product Name: USB 2.0 Cable

Length: 3 Feet

Material: PVC

Connector Type: USB A To USB B

Jacket Material: PVC

Shielding: Foil And Braid

Applications:

Custom USB 2.0 Cable is a versatile and high-quality data cable that can be used in a variety of occasions and scenarios. This 2 In 1 USB Charging Cable is an essential accessory for individuals and businesses seeking reliable connectivity solutions. Manufactured in Dongguan, China, this cable meets BS Standard Cable requirements and is certified with CE and ROHS compliance.

Whether you need to charge your devices, transfer data, or connect peripherals, this Custom USB 2.0 Cable is a dependable choice. The gold-plated connectors ensure a stable and efficient connection, making it suitable for both personal and professional use. The PVC material and foil and braid shielding provide durability and protection against interference, enhancing the cable's longevity.

With a competitive price of 3000, quick delivery time of 2-5 working days, and a generous 1-year warranty, this 3 In 1 USB Charging Cable offers great value for money. It is perfect for use in offices, homes, schools, and other settings where reliable data transfer and charging are required.

Whether you are a student, professional, gamer, or tech enthusiast, the Custom USB 2.0 Cable is designed to meet your connectivity needs. From connecting your smartphone to your laptop to charging multiple devices simultaneously, this cable excels in various application scenarios. Its versatility and compatibility make it an indispensable tool in today's digital world.
