3 feet USB data transfer cable**

Product Description

Product Description:

Introducing our high-quality USB 2.0 Cable, a must-have accessory for anyone in need of a reliable and fast USB data cable. This versatile cable is designed to meet the demands of today's technology, ensuring seamless connectivity and efficient data transfer.

Constructed with top-of-the-line materials, the USB 2.0 Cable features a conductor material made of pure copper. This ensures optimal performance and conductivity, making it the perfect choice for all your USB 2.0 devices. Whether you need a fast USB data cable for your cell phone, tablet, or other compatible devices, this cable has you covered.

One of the key highlights of our USB 2.0 Cable is its exceptional compatibility with USB 2.0 devices. Whether you're looking to charge your smartphone, transfer files between devices, or sync your data, this cable offers seamless connectivity and reliable performance every time.

For added durability and protection, the USB 2.0 Cable is equipped with foil and braid shielding. This shielding design helps minimize interference and ensures stable data transfer, even in high-traffic environments. Say goodbye to connectivity issues and enjoy uninterrupted data transfer with this reliable cable.

The jacket material of the USB 2.0 Cable is made of PVC, offering a perfect blend of flexibility and durability. This jacket material ensures that the cable remains tangle-free and easy to store, making it ideal for everyday use. With a length of 3 feet, this cable provides ample reach and convenience for all your charging and data transfer needs.

Whether you're looking for a fast USB data cable for your cell phone, a reliable 2 in 1 USB charging cable, or simply a high-quality USB cable for your devices, our USB 2.0 Cable is the perfect solution. Experience seamless connectivity, fast data transfer, and peace of mind knowing that your devices are in good hands with this exceptional cable.

Features:

Product Name: USB 2.0 Cable

Connector Plating: Gold-plated

Material: PVC

Compatibility: USB 2.0 Devices

Length: 3 Feet

Color: Black

Technical Parameters:

Length	3 Feet
Compatibility	USB 2.0 Devices
Type	Data Cable
Warranty	1 Year
Connector Plating	Gold-plated
Transfer Speed	480 Mbps
Conductor Material	Copper
Color	Black
Jacket Material	PVC
Shielding	Foil And Braid

Applications:

Custom USB 2.0 Cable is a versatile and reliable choice for various data communication needs. This high-quality product is designed for use with USB 2.0 devices, ensuring seamless connectivity and efficient data transfer. Whether you need to charge your smartphone, sync data between devices, or connect peripherals to your computer, this cable is a perfect solution.

Manufactured in Dongguan, China, this USB cable meets the highest standards of quality and performance. With CE and ROHS certifications, you can trust in its safety and reliability for all your data communication needs. The durable PVC material used in the cable's construction ensures longevity and resistance to wear and tear, making it a cost-effective choice for long-term use.

The black color of the cable gives it a sleek and professional look, suitable for both personal and professional settings. Priced at 3000, this USB cable offers excellent value for its quality and features. With a transfer speed of 480 Mbps, you can rely on fast and efficient data transfer whenever you use this cable.

Whether you are a tech enthusiast, a business professional, or a student, the Custom USB 2.0 Cable is a must-have accessory for your data communication needs. Its compatibility with a wide range of USB 2.0 devices makes it a versatile choice for various applications.

Enjoy peace of mind with a 1-year warranty that accompanies this product, providing you with added assurance of its quality and durability. With a quick delivery time of 2-5 working days, you can start using this cable in no time and experience seamless connectivity for all your devices.
