

Data Transfer USB 2.0 Cable Black PVC Material for Hassle-Free Transfer

Our Product Introduction

for more products please visit us on jizhidatacable.com

Basic Information

- Place of Origin: Dongguan, China
- Brand Name: Custom
- Certification: CE,ROHS
- Price: 3000
- Delivery Time: 2-5 working days

Product Specification

- Compatibility: USB 2.0 Devices
- Color: Black
- Length: 3 Feet
- Jacket Material: PVC
- Connector Type: USB A To USB B
- Warranty: 1 Year
- Type: Data Cable
- Shielding: Foil And Braid
- Highlight: **USB 2.0 data transfer cable, black PVC USB cable, hassle-free USB 2.0 cable**

Product Description

Product Description:

The USB 2.0 Cable is a versatile and reliable cable designed for seamless data transfer between USB 2.0 devices. With a transfer speed of 480 Mbps, this cable ensures fast and efficient data transfer, making it ideal for various applications such as connecting printers, scanners, external hard drives, and other USB peripherals.

Constructed with high-quality copper conductors, this USB 2.0 cable delivers stable and consistent performance, ensuring reliable connectivity for all your devices. The copper conductor material enhances signal strength and minimizes interference, allowing for smooth data transmission without any loss in quality.

For added durability and protection, the USB 2.0 Cable features shielding with both foil and braid. This dual-layer shielding design provides excellent protection against electromagnetic interference and radio frequency interference, maintaining signal integrity and ensuring a stable connection between your devices.

The jacket material of this cable is made of PVC, which offers flexibility and durability. The PVC jacket provides resistance to wear and tear, making the cable suitable for everyday use in various environments. Whether you are at home, in the office, or on the go, this USB 2.0 cable is designed to withstand daily wear and tear while delivering reliable performance.

With its BS standard cable construction, this USB 2.0 Cable meets industry standards for quality and performance. The cable is designed to provide consistent and reliable data transfer, ensuring compatibility with a wide range of USB 2.0 devices. Whether you need to connect your laptop, desktop, or other USB-enabled devices, this cable offers universal compatibility and seamless connectivity.

Whether you are transferring files, syncing your iPhone, or connecting peripherals, the USB 2.0 Cable is the perfect solution for all your data transfer needs. Its high-speed transfer rate of 480 Mbps allows you to quickly and efficiently transfer large files, photos, videos, and other data between your devices. Say goodbye to slow transfer speeds and enjoy the convenience of fast and reliable data transfer with this USB 2.0 cable.

Upgrade your connectivity and experience superior performance with the USB 2.0 Cable. Whether you are a professional user, a student, or a casual user, this cable offers the reliability and speed you need for all your data transfer requirements. Invest in quality and efficiency with the USB 2.0 Cable and enjoy seamless connectivity and fast data transfer for all your devices.

Features:

Product Name: USB 2.0 Cable

Warranty: 1 Year

Conductor Material: Copper

Jacket Material: PVC

Type: Data Cable

Connector Plating: Gold-plated

Technical Parameters:

Transfer Speed	480 Mbps
Connector Plating	Gold-plated
Conductor Material	Copper
Warranty	1 Year
Shielding	Foil And Braid
Type	Data Cable
Connector Type	USB A To USB B
Length	3 Feet
Compatibility	USB 2.0 Devices
Color	Black

Applications:

Custom USB 2.0 Cable is a versatile data cable suitable for various Product Application Occasions and Scenarios. Crafted with high-quality PVC material and featuring gold-plated connectors, this cable ensures reliable data transfer and charging capabilities.

Whether you need to connect your Display Port Cable to a compatible device, transfer files from your 3.0 USB Flash Drive, or sync your iPhone using the USB Sync Cable, this USB 2.0 cable from Custom is the perfect solution.

Originating from Dongguan, China, this cable meets the highest quality standards and is certified with CE and ROHS certifications, ensuring both performance and safety. Priced at \$3000, it offers excellent value for money with a 1-year warranty included.

With a length of 3 feet, this data cable provides flexibility and convenience in various scenarios. Whether you are at home, in the office, or on the go, the Custom USB 2.0 Cable guarantees fast and stable data transmission.

Order now and enjoy fast delivery within 2-5 working days, allowing you to experience seamless connectivity and efficient charging for all your devices. Upgrade your cable collection with the reliable and durable Custom USB 2.0 Cable today!
