Basic Information

- Place of Origin: Dongguan, China
- Brand Name: Custom
- Certification: CE,ROHS
- Price: 3000
- Delivery Time: 2-5 working days

Product Specification

- Material: PVC
- Conductor Material: Copper
- Warranty: 1 Year
- Type: Data Cable
- Color: Black
- Connector Plating: Gold-plated
- Connector Type: USB A To USB B
- Transfer Speed: 480 Mbps
- Highlight: **custom USB C cables for business ,
copper conductor USB 2.0 cable ,
durable data cable with warranty**

Product Description:

The USB 2.0 Cable is a versatile and reliable accessory that offers convenience and efficiency for various electronic devices. This 2 In 1 USB Charging Cable is designed with high-quality materials to ensure optimal performance and durability. Featuring foil and braid shielding, this Braided USB Cable provides enhanced protection against interference and signal loss, allowing for stable and fast data transmission. Whether you are syncing data or charging your devices, this cable delivers a seamless user experience. Measuring 3 feet in length, this iPhone USB Sync Cable provides ample reach for connecting your devices without restricting your movement. The PVC jacket material adds to its flexibility and durability, making it suitable for everyday use. Made from PVC material, this USB cable is lightweight and easy to carry, making it ideal for travel, work, or home use. The gold-plated connector ensures a secure and reliable connection, minimizing the risk of signal instability or disconnection. With its versatile design and reliable performance, this USB 2.0 Cable is compatible with a wide range of devices, including smartphones, tablets, cameras, and more. Whether you need to charge your device or transfer data, this cable is a practical solution for your everyday needs. Stay connected and powered up with this high-quality USB cable that offers both functionality and durability. The 2 In 1 USB Charging Cable is a must-have accessory for anyone who values efficiency and convenience in their daily tech routines. Invest in this Braided USB Cable to experience seamless data syncing and fast charging capabilities. Its sturdy construction and reliable performance make it a dependable choice for all your electronic devices. Keep your iPhone and other devices synced and charged with this premium iPhone USB Sync Cable. Its 3-foot length provides flexibility and convenience, allowing you to use your devices comfortably while staying connected. Enhance your charging and data syncing experience with this USB 2.0 Cable that offers superior shielding, durable construction, and reliable performance. Upgrade to this high-quality cable to enjoy efficient connectivity and optimal device functionality. Upgrade your USB cable to this premium option that boasts foil and braid shielding, 3-foot length, PVC jacket material, PVC construction, and gold-plated connector plating. Experience the difference in performance and reliability with this versatile and durable USB cable designed for your convenience.

Features:

- Product Name: USB 2.0 Cable
- Shielding: Foil And Braid
- Warranty: 1 Year
- Compatibility: USB 2.0 Devices
- Transfer Speed: 480 Mbps
- Material: PVC

Technical Parameters:

Warranty	1 Year
Shielding	Foil And Braid
Transfer Speed	480 Mbps
Type	Data Cable
Length	3 Feet
Conductor Material	Copper
Color	Black
Compatibility	USB 2.0 Devices
Material	PVC
Connector Type	USB A To USB B

Applications:

Custom USB 2.0 Cable is a versatile and reliable product suitable for a wide range of data communication needs. With its high-quality features and specifications, this cable is ideal for various occasions and scenarios. Whether you need to transfer data between devices, charge your gadgets, or sync your devices, the Custom USB 2.0 Cable is the perfect solution. Its compatibility with USB 2.0 devices ensures seamless connectivity and efficient data transfer. Designed in Dongguan, China, this cable is crafted with durable PVC material and features gold-plated connector plating for enhanced performance and longevity. The conductor material, copper, further enhances the cable's reliability and conductivity. With a transfer speed of 480 Mbps, this Data Transfer USB 2.0 Cable ensures quick and efficient data transmission, making it suitable for various applications.
