Product Description

Product Description:

The USB 2.0 Cable is a versatile 2 in 1 USB charging cable that offers exceptional transfer speed of up to 480 Mbps. This fast charging data cable is designed to meet your connectivity needs with its high-speed performance and reliable data transfer capabilities.

Constructed with a durable PVC jacket material, this USB cable is built to last. The PVC jacket provides protection against wear and tear, ensuring long-lasting durability for your cable. Additionally, the cable features shielding in the form of foil and braid, further enhancing its durability and protecting it from electromagnetic interference.

This USB 2.0 Cable is a reliable choice for your data transfer needs. Whether you are transferring files between devices or charging your devices, this cable offers seamless connectivity and fast data transmission.

Designed as a data cable, this USB 2.0 Cable is compatible with a wide range of devices, making it a versatile accessory for your tech gadgets. With its black color, the cable has a sleek and modern look that complements any device it is paired with.

Experience the convenience of a braided USB cable that combines style and functionality. The braided design of this USB cable adds a touch of elegance and durability, making it a practical choice for everyday use.

Stay connected and charged with the USB 2.0 Cable. Whether you need to transfer data or charge your devices, this cable offers reliable performance and fast charging capabilities. Get your hands on this versatile and efficient USB cable today.
